

Newsletter

Friday 18th June 2021

Dear Parents and Carers,

As you will be aware the government have announced that the current Covid restrictions will remain in place for a further 4 weeks. With this in mind, we have had to make some changes to our end of term plans. Unfortunately, we will not be able to allow parents to attend any end of year activities, such as sports day and the Year 6 production, whilst we know that this will be upsetting for some of you, we will endeavour to film events and take as many photographs as we can for you to see. The transition for children into new classes will also be managed differently and we will send out information about this closer to the time. Over the next few weeks please look out for your child's report and information about the upcoming parents consultations.

Kind regards
Mrs Oakley

Did you know....

Earlier this week Mrs Hopkins saved a bee from a very unusual place - the sea - not a place you would normally find a bee! Ask her all about her daring save next time you see her.

Here are some more facts about bees:

- Bees have five eyes and six legs.
- Honey bees live in hives (or colonies). ...
- There are more than 20,000 species of bees.
- Bees can see all colors except red. ...
- The average beehive can house around 50,000 bees.
- Each bee has 170 odorant receptors, which means they have one serious sense of smell.

If you would like to save a bee, click the link below for more information:

[How to save a bee](#)

School Updates

Please have a look at the dates opposite to see when your child will be coming to Forest School one last time before the end of the school year.

On this day they will need to come to school wearing their Forest School clothes. Please also send them with a change of clothes, water bottle and sun hat/coat.

Thank You

Forest School Dates

Tuesday 22nd June - 1JS
Wednesday 23rd June - 3SK
Friday 25th June - 2NB
Thursday 1st July - 4KB
Friday 2nd July - 5AT
Monday 5th July - 1SJ
Tuesday 6th July - 6VH
Wednesday 7th July - 6SH
Thursday 8th July - 2OE
Friday 9th July - RHW
Monday 12th July - 4PA
Tuesday 13th July - 5MM
Wednesday 14th July - 3BC
Thursday 15th July - RJR

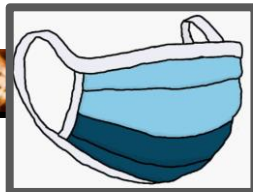

Do you know that Beaver Green have a locked bike shed to keep all cycles and scooters safe?

At Beaver Green we have a bike shed, that is locked during the day, to keep all bikes and scooters safe. This is a much safer place to store your items rather than the bike store in the playground.

School Updates

FACE MASKS

The guidelines at Beaver Green remain unchanged regarding the wearing of masks on school grounds. Unless you are exempt please wear a mask when collecting and dropping of children. Thank you.

PARKING

Please can I remind you to park considerately when you are dropping off or collecting your child from school.

There have been a number of complaints from our neighbours stating that parents are parking in a dangerous and selfish manner. Please ensure that you are considering the safety of everyone when you park your car.

Thank you for your support with this.

SPORTS DAY

With Sports Day fast approaching it is really important that all children have the correct PE kit to wear on the day. Every child will need a t shirt in the colour of their house, and also plimsolls or trainers.

Thank you

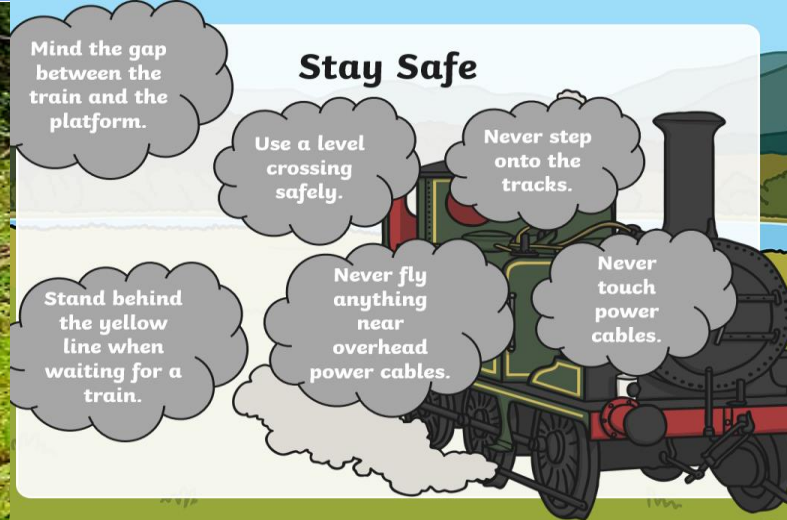

Safety Tip of The Week

We have made things easier for you to watch the free safety videos by just entering the email railsafety@learnliveuk.com into the I am registered field when you first watch the videos.

Please click on the link below to view the relevant safety video:

Primary school version: Age 7- 11

Rail Safety

Can you think of any dangers to do with trains or railways?

Star of the Week - Nursery

This week in the Nursery we have been enjoying learning about Pirates!

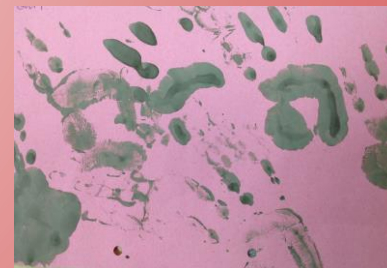

Harry is our star of the week. He enjoyed drawing his own treasure map and following it to find the treasure.

This week we have been learning the rhyme
Incy Wincy Spider

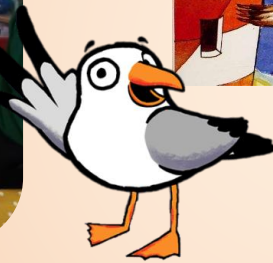

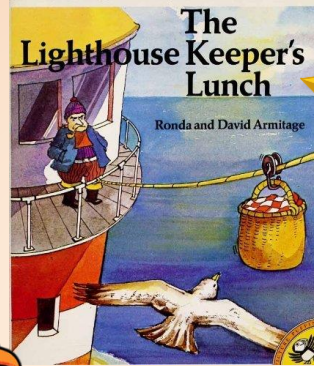

Mary is our star of the week as she hand-painted a spider with a little help.....

.....and then
wanted to do one
all by herself.
Great work Mary!

Star of the Week - Reception

Freya is our star of the week in Penguin class. She made a fantastic lighthouse that we have been learning about this week. Great job!

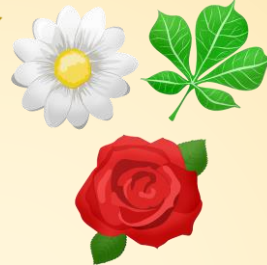

Cohen is our star of the week in Elephant Class. He drew a picture of Mr Grinling and Mrs Grinling with the lighthouse from our story. He then used his sounds knowledge to label the pictures. Well done Cohen!

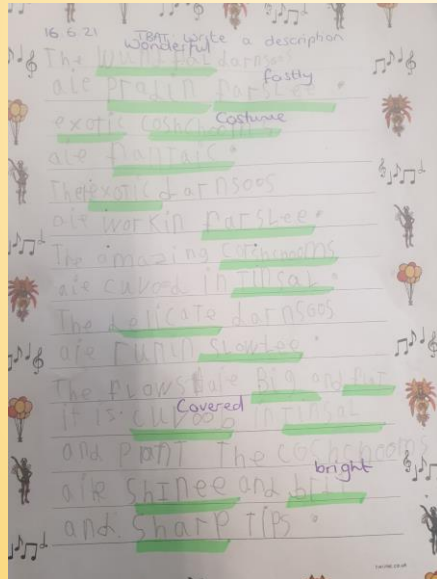

Star of the Week - Year 1

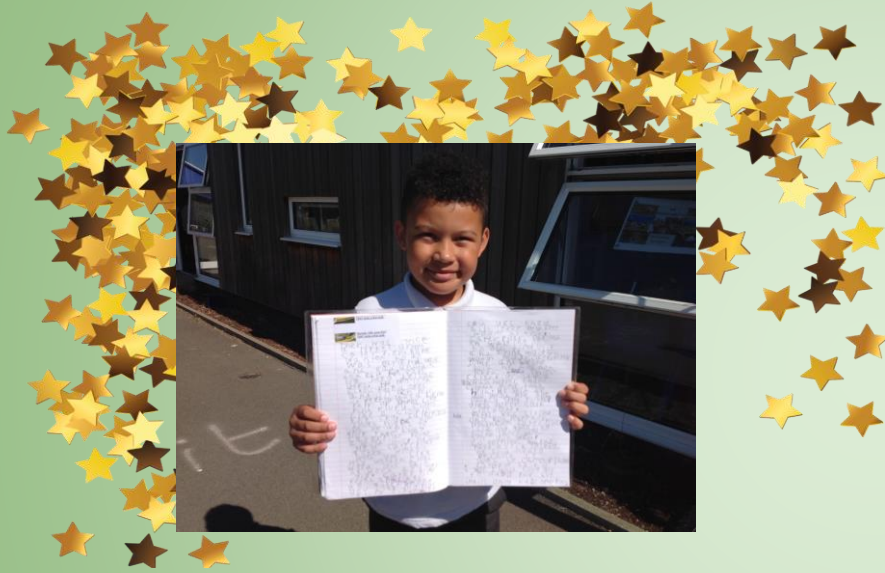

Layla is star of the week this week for her excellent writing about Carnivals. She has used fantastic adjectives. Well done Layla!

Filip is the Star of the Week in 1JS this week. Filip worked hard and was able to use his investigative skills to use photo ID cards to accurately identify some common garden plants in Science!

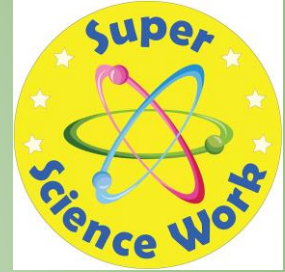

Star of the Week - Year 2

2NB's star of the week is Ellis. Ellis worked hard to re-write his own version of 'Caterpillar Shoes', He checked his own work to make sure he had included everything learnt during the week, including, verbs, adverbs and similes. Well done Ellis on a super piece of writing.

The Star of the Week this week in 2OE is Mia for the fantastic effort that she put into drawing and labelling the parts of a plant! Well done Mia. Super Science!

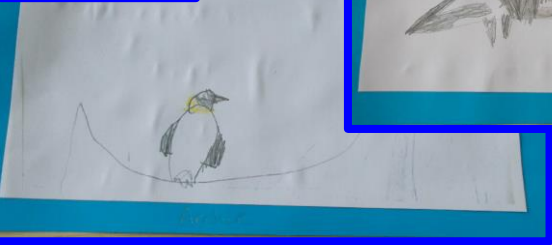

Learning in Term 6 - Year 3

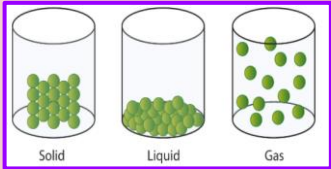

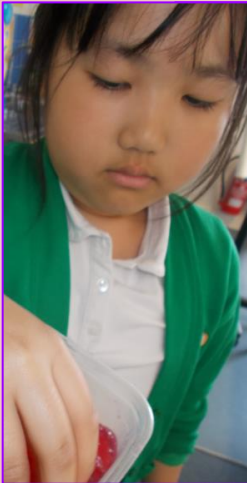

Frozen Kingdom - Topic

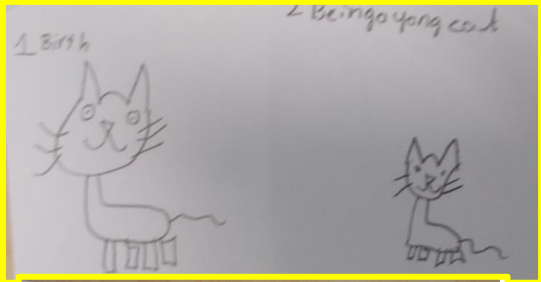

The Antarctic

States of Matter - Science

Changes - PSHE

Star of the Week - Year 3

The Star of the Week in 3BC is Alfie. He has been working so hard in class to improve his reading and writing. Well done Alfie! We are very proud of you!

The Star of The Week in 3SK is Layla for showing such fabulous progress with her reading over the year. Congratulations.

Star of the Week - Year 4

Star of the week in 4PA is Abdul. He has had a super focus in class this week. He has organised himself really well, being prepared for his learning, worked hard in each lesson, shared his ideas, worked independently and usually with a smile on his face. Well done.

The Star of the Week in 4KB this week is Faith. Faith is someone who could have been Star of the Week every week this year! She is kind, helpful, hard-working, resilient, supportive, funny, a good friend... the list could go on and on. She is an absolute joy to have in class and is a wonderful role model to the rest of the class. You are a superstar!

Star of the Week - Year 5

5AT's star of the week goes to Joshua! Josh has worked so hard to stay focused this week and has produced a fantastic poem - making sure he had correctly used the right beats and rhymes in each of his lines! Well done Josh for a fantastic week!!

An extract from Josh's poem:

*There are so many astonishing asteroids to see,
Whilst the giant, burning sun smiles down at little old me.
As I look up I see stars form a shape like a battling bear,
Meanwhile the dozing children are just completely unaware.*

The 5MM star of the week for this week is Louie. Louie has shown amazing behaviour for learning since the beginning of term. Louie will always listen and try his best. I am especially pleased that Louie now has the confidence to ask if he is finding a task challenging. Well done Louie, keep up the good work!

Star of the Week - Year 6

Well done Mia this week for giving an amazing effort in her maths. She has worked hard to find solutions to the problems. Your confidence has improved loads!

Our Star of the Week in 6VH is Emily. Emily is always an enthusiastic learner, she tries her best in every subject - every week - but this week in particular, she has written an incredible story based on the video, Black Hole. We are very proud of you Emily - keep being Amazing!
