

Newsletter

Friday 2nd July 2021

Dear parents and carers,

You will all have had the opportunity to speak with your child's teacher this week or next, we hope that went well and that you found it useful. We will be sending out a questionnaire next week to gather your thoughts on parent consultations and give some consideration to how we should conduct them moving forward into the next academic year.

We have had some parents ask questions about Sports Day, there is some more information further on in the newsletter. Unfortunately, parents will not be able to attend this event, we do understand that this is upsetting for you, but we hope that you understand that it is to keep our whole community safe.

Thank you for your continued support that you offer daily to your children and their teachers at Beaver Green.

Did you know...

The [Dominion of Canada](#) was formed this day in 1867, an event subsequently celebrated as an annual Canadian holiday (its current name, [Canada Day](#), was adopted in 1982) marked by parades, fireworks, and the display of flags.

Here are some interesting facts about Canada...

Capital:

- Ottawa 1.4 million inhabitants

National Symbols:

- Maple leaf, red and white flag,
- National tree - maple tree
- National animal - beaver

School Updates

School Nurse Visit

On 15th July the school nurse will be coming into school to check the height and weight of all the children in Year R. If you would like to opt out please call 0800 011 3474 or email: kentchft.schoolhealthscreening@nhs.net

We would like to say a big thank you to Harry in 5AT who has made a bird house at home and has kindly given it to us for Forest School. It has been put up and is waiting for it's new residents! Thank you so much Harry! We LOVE it!

Beaver Green Sports Day

Friday 16th July 2021 - Julie Rose Stadium

We are all really looking forward to Beaver Green Sports Day which will take place at a National Athletics venue - Julie Rose Stadium on Friday 16th July 2021.

Please can all children come to school in their PE kits on Friday 16th July. The correct kit must be worn:

- ❖ The children must wear a t shirt which is the colour of their house (not a football top).
- ❖ Green, blue or black sports shorts.
- ❖ Trainers or plimsolls.

Thank you

The Julie Rose Stadium is based in Kennington, Ashford, Kent. The stadium includes an 800 seater stand and is now regarded as one of the finest athletics venues in the country.

Safety Tip of The Week

Sun Safety Code

Spending too much time in the sun can be harmful. We should all follow a special code which reminds us how to enjoy the sun whilst staying safe.

There are five parts to remember...

Spend time in the shade between 11am and 3pm.

Make sure you never burn.

Aim to cover up with a hat, t-shirt and sunglasses.

Remember children need to take extra care.

Then use sunscreen of a minimum of SPF 30.

Be
SMART!

The Sun

The sun gives off different types of energy.

Do you know what types of energy the sun gives off?

Invisible infrared radiation which makes us feel warm.

Visible light which we can see.

Ultraviolet radiation which we can't see or feel on our skin but can damage our skin if we get too much of it.

Make Sure You Never Burn

It's easy to get sunburnt, even when you're not expecting to.

It's very important to avoid burning your skin.

Because you can't feel UV rays, it's easy to forget that they are there.

Remember

You can still burn on a cloudy day.

Star of the Week - Nursery

We have been learning about healthy food this week.

Kelsy is our star of the week. She painted some amazing fruits and could name them all!

This week our rhyme is Humpty Dumpty and we made scrambled egg.

Our star of the week is Owen!
He really enjoyed our activity.

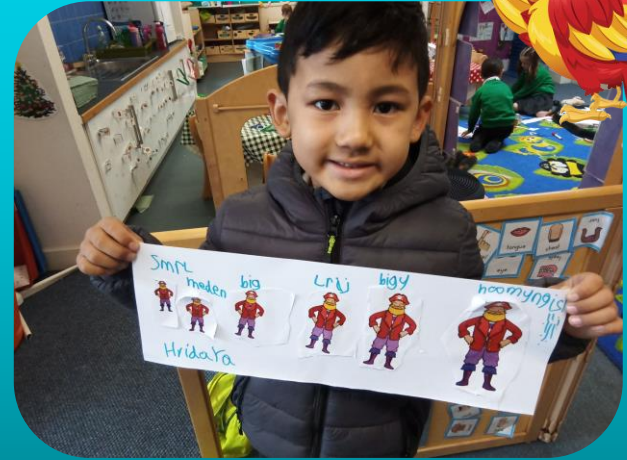

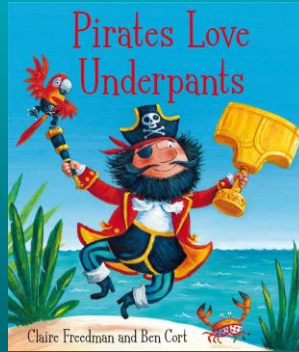

He listened well and followed the instructions given.

Star of the Week - Reception

David is the star of the week this week for showing such sustained interest whilst he made a split pin pirate. He used many skills including cutting out each part and then attaching the split pins to each part which is very tricky! Well done

Hridaya is the star of the week in Elephant Class. He cut out and ordered the pirates by size. He labelled them and he labelled the largest pirate 'humongous'. He told me he had used exclamation marks because the pirate is "SO BIG!".

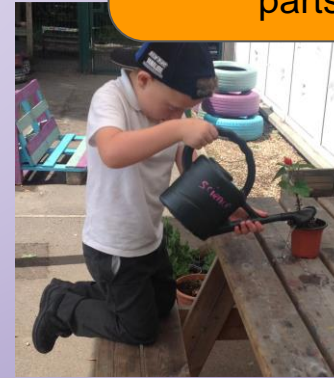

Learning in Term 6 - Year 1

We really enjoyed getting out in the sun to do observational drawings of plants!

Year 1 have been busy in Science this term identifying, growing and labelling the parts of plants!

Star of the Week - Year 1

Stars of the week this week are Melisa and Violet for their excellent recount writing and fantastic flower collage. Well done girls.

Holly is the Star of the Week in 1JS this week. Holly is a fantastic role model and is always keen to help around the classroom. We have been so proud to see Holly's confidence in her own abilities grow and she has impressed us so much with her Phonics and reading skills! Keep smashing it Holly!

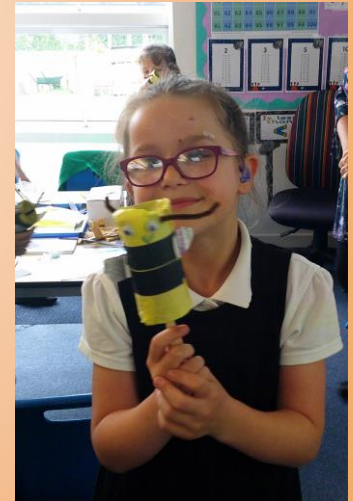

Star of the Week - Year 2

2NB's Star of the Week is Zayan. He has always got a smile on his face and is always ready for the days learning. He tries his hardest in all areas and is becoming more independent. Well done, keep it up !

This week's Star of the Week in 2OE is Laura-Jane for not only showing huge bravery during her surgery but coming back to school with a huge smile on her face and making a beautiful bumble bee! Well done Laura-Jane. We are all so proud of you!

Star of the Week - Year 3

The Stars of The Week in 3BC are Azmi and Shrujan. Both of you are always polite, positive and work extremely hard in every lesson. Well done Azmi and Shrujan. You're both superstars.

Our Star of The Week in 3SK this week is Heidi-Ann for her enthusiasm and commitment to do her best. Well done. You are a superstar!

Star of the Week - Year 4

This week's Star of the week from 4PA is Chloe. Chloe is new to our class but has settled in amazingly. She is making friends, wonderfully polite, has shown she has a really positive attitude towards work and instantly become one of the team. Well done, and welcome to Beaver Green.

Tommy B is 4KB's Star of the Week this week! Tommy is always smiling and trying his best with whatever he is doing! He is such a pleasure to have in class and is a lovely friend to others. Keep being the positive ray of sunshine you are! We are really proud of you!

Star of the Week - Year 5

This week 5AT's star of the week goes to Archie. Archie has worked so hard during our assessments this week. He has stayed focused and tried his very hardest even when things were difficult. We are very proud of you Archie - believe in yourself - you are amazing!!

The 5MM star of the week is Junior. Junior has been an absolute superstar this week during our assessments. He has shown that he has listened in lessons and this has seen a huge improvement in his scores. What a superstar! Well done Junior and keep up the good work.

Star of the Week - Year 6

A huge well done this week to Scarlett in 6SH. You always work hard and your confidence has developed massively. You are a pleasure to have in class. Keep up the amazing attitude!

This week's Star of the Week goes to two children - Jasminder and Kusuk. They have worked really well this week as a team - especially in maths with our Theme Park Project and science when classifying animals.

Well done to both of you.
