

## English

This term we will be learning how to use amazing adjectives to write stories, character descriptions, story setting and wanted posters! We will also begin to focus on constructing sentences using capital letters, full stops and finger spaces.

We will be launching into Space and immersing ourselves into some wonderful texts such as; Aliens love underpants, Man on the Moon, The Smeds and The Smoes, Moon Zoo and The first hippo on the Moon.

## Art

In Art this term we will be learning all about Jackson Pollock, a famous American artist from the 1950s. We will be using our painting skills and different mediums to produce exciting pictures in a similar style to Jackson Pollock and relating this to our Space theme.

## Geography

This term we will be asking simple geographical questions e.g. What is it like to live in this place? In relation to our Space topic.

# Curriculum Overview

## Year 1 Term 1

### Topic: Out of this World!

## P.E

In PE this term we will be focusing dance and infant agility. We will be working in groups to create interesting dance routines and perfecting our performance skills.

## D.T

In DT we will be using a range of techniques and materials to design, build and create rockets, aliens and space stations.

## Computing

This term, we will be focusing on E-Safety and learning how to use basic computing skills. We are very excited to do this in our computing suite!

## Music

This term we will be using percussion instruments to compose and perform music linked to our Space topic.

## R.E

In Term 1 we will be learning all about Judaism, focusing on beliefs and things that are important to us.

## Maths

This term we will become marvellous mathematicians and focus a lot on number. We will be ordering and comparing a range of numbers, count forwards and backwards accurately, partition 2 digit numbers into tens and ones and identifying one more and one less.

## History

In History we will be learning about chronology by looking at our own lives and begin to build an awareness that timelines extend back to before we were born.

## Jigsaw

This term's topic is 'Being me in my World.' As a class we will discuss our hopes and fears for this year. Our rights and responsibilities and also rewards and consequences for our actions.
