***“It’s Good To Be G.R.E.E.N. It’s Great to be B.E.A.V.E.R G.R.E.E.N.”***

6th November 2023

Dear Parents/carers,

This term we are travelling back in time to when dinosaurs walked the Earth. In previous years the children have loved immersing themselves in this topic and therefore the Year 1 team are very excited to announce that we have organised for “real life” robotic dinosaurs to come and visit Beaver Green.

This will take place on **Monday 27th November 2023** and the children will learn from hands-on experiences with the dinosaurs as well as an in depth talk about life in the dinosaur era. The children will be able to locate and identify fossils from iconic dinosaurs and the expert handler will introduce realistic hatchlings whilst explaining about their family, diet, habitat and what the era was like millions of years ago. A truly memorable way to learn!

The cost of this workshop per child will be **£7.00**. Payment needs to be made via parent pay by ideally the **13th November**. If we do not receive enough payments we will unfortunately have to cancel the event.

Any questions please seek a member of the Year 1 team.

Thank you for your continued support and enthusiasm

Miss Martin & Mrs Tapper
