

Newsletter

Friday 24th September 2021

Dear Parents and Carers,

Term is fully underway now and we have seen some amazing learning from the children.

Please can I remind you that the start of the school day is 8.50am and the end of the school day is 3.10pm. Please ensure that your children arrive at school on time and avoid picking them up early unless absolutely essential as this has a large impact on their learning if they arrive late or leave school early on a regular basis.

The weather continues to be kind to us, but if we get a sudden change, please ensure that children have a coat in school in case of rain.

Mrs Oakley

Now that we are all able to return to a more normal style of school we have resumed our assemblies. One of the assemblies we have each week is a singing assembly, sometimes this takes place in the hall and sometimes in the classrooms. A feature of this assembly is learning about composers one of the composers we have listened to is

George Frederick Handel

February 23, 1685 - April 14, 1759

You can listen to his music by clicking the link below:

[Hallelujah from Messiah](#)

School Updates

Communication

If you wish to speak with your child's teacher and the conversation is more than a 'quick message' please make an appointment to meet with them at a time that is convenient to both of you.

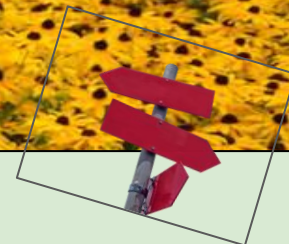

Open Mornings

We will be holding 2 open mornings this year, during these mornings you will be able to meet the Beaver Green team and discuss any questions you may have about your child starting school or the application process.

The dates for these are:

Thursday 4th November

Thursday 9th December

School Tours

From 30th September 2021 we will be hosting tours for prospective parents and children for children joining school in September 2022. If you are interested in attending a tour, or know anyone who would like to attend please call the school office on 01233 621989 to book a place.

Attendance

Attendance

It is very important that your child attends school everyday. We are monitoring school attendance closely and we will contact you if we are concerned about your child's attendance. If you are experiencing any difficulties with getting your child to school, please contact Mr Randall for support.

EVERY DAY COUNTS ...

A day here or there doesn't seem like much but ...

When your child misses just	that equals...	which is....	and therefore, from Prep to Year 12, that is ...	This means the best your child can achieve is ...
1 day a fortnight	20 days a year	4 weeks of school	Nearly 1½ years of school	Equal to finishing Year 11
1 day a week	40 days a year	8 weeks of school	Over 2½ years of school	Equal to finishing Year 10
2 days a week	80 days a year	16 weeks of school	Over 5 years of learning of learning	Equal to finishing Year 7
3 days a week	120 days a year	24 weeks of school	Over 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed ...

Alfie P - Courage

Star of the Week - Nursery

Star of the
week is
Lenny

Lenny did some
super maths work
this week. He
counted and
sorted objects by
size and colour!
Well done.

Star of the Week - Reception

In Bumblebee
Class our star of
the week is Niall for
being a kind friend
to others and for
being helpful to
adults.

In Ladybird Class
our star of the
week is Gabriela.
She already follows
our class rules and
routines perfectly.
Well done!

Star of the Week - Year 1

Star of the week in Smith class is Lucas for his amazing painting of a rocket.

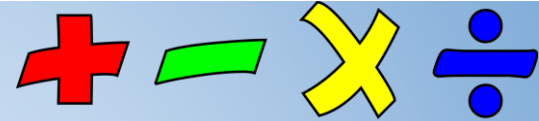

Star of the week in Lloyd class is Elliot for super maths work. Well done Elliot.

Star of the Week - Year 2

Star of the Week for Wiesner Class this week is Layla for this super drawing of a castle. Layla included lots of castle features like towers, turrets and battlements. Well done Layla!

Barnett's Star of The Week is Charlie D. He was amazing in our maths lesson on Thursday, and can now confidently compare two number sentences. Well done Charlie.

Star of the Week - Year 3

Wilson Class

Our wonderful Star of the Week is Mia for being so kind and patient to others in her class.

Bright Class

The Star of the Week in Bright Class is Evie-Grace! Evie always tries her hardest and challenges herself in her learning. Keep it up!

Year 4 learning in Term 1

This week in Year 4, we have been learning all about Viking shields in our topic lesson. We explored different designs and then began to design our own, which we will eventually make!

In Science this week, we learned about the force Friction and investigated which materials made more or less friction by using a ramp and testing which blocks slid down it at different heights! We recorded our findings on a chart.

Star of the Week - Year 4

MacKenzie Class Star of the Week this week is Max. Max is always showing enthusiasm towards his learning and participates keenly in every lesson. He has great behaviours for learning and works well with everyone. He is always positive and happy, with that wonderful smile on his face that makes you want to smile right back! You are an absolute star Max! Well done!

Hardy Class star of the week this week is Jenson. Jenson has been amazing all term. I am really impressed with his attitude to learning. He works effectively in each lesson, focusses well, pushes to try to get to the next level and also is willing to ask for the next level of work. He listens well, supports others and consistently impresses each day. Well done, Jenson!

Star of the Week - Year 5

Rauf's star of the week goes to Sophia! Sophia is an excellent example of a hard-working, kind, cheerful and courageous pupil. We have been so impressed with Sophia's first few weeks in year 5 - I'm sure you will continue to shine as the year goes on! We are very proud of you!

Maz Evans star of the week is Tommy S. Since returning to school this year Tommy has been trying his best at all times. He has also been making some great choices and this has reflected in him having much happier and settled break times. Well done Tommy a super effort.

Star of the Week - Year 6

In Jennifer Killick class our Star of the Week is Reggie. He is always positive, ready to learn and tries his very best in every lesson. Well done Reggie. We are really proud of you!

In Benjamin Zephaniah class, our Star of the Week is Jazmin for amazing maths work. You always try your best, and always seek a challenge to deepen your learning. Keep up this amazing work.
