Beaver Green Primary School

Admissions Arrangement Consultation For Admission Year 2025-2026

The above-mentioned school is part of the Swale Academy Trust. As our own admissions authority, we are required, under the School Admissions Code 2021, to review our admissions policies annually and to consult on our arrangements from time to time. The code requires consultation in the following circumstances:

1. When changes are proposed to admission arrangements, all admission authorities must consult on their admission arrangements (including any supplementary information form) that will apply for admission applications the following school year.
2. Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that admission authorities must consult on their admission arrangements at least once every 7 years, even if there have been no changes during that period.

There are no proposed changes to our admission arrangements at this time. However, as our arrangements have not undergone consultation within the past 7 years, despite there being no changes during this time – the arrangements are being put forward for public consultation under the criteria in point 2 of the Admissions Code, outlined above.

Please find the full policy and admissions arrangements below.
