

### **English**

This term we will look at the short animated story - Butterflies. We will use this story to inspire creative writing. We will learn how to write a diary entry, considering what features it should include.

We will read the story 'The Invisible' and use this to form the basis of a discussion about feelings.

### **Maths**

Our main focus for Maths this term will be money, fractions and time.

We will learn how to make the same denomination using different coins. In fractions we will look at halves, thirds and quarters. In time we will learn how to tell the time to the hour, half past, quarter past and quarter to.

### **Music**

This term we will be following the 'Charanga' module 'Let Your Spirit Fly.' We will learn to recognise different instruments and styles of music and we will also look at beat and rhythm.

## **Curriculum Overview**

### **Year 2 Term 3**

### **Topic: Learning to Fly**

### **P.E**

This term we will be having our PE lessons with Mr Scorer. We will be learning to play Rapid Fire Cricket. We are also going to be having Forest School lessons with Mrs Dalton.

### **History**

This term, our topic is 'Learning to Fly.' We will discover important events surrounding the history of flight. This will include finding out about the Wright brothers, Amelia Earhart and considering why the first moon landing was so special.

### **Computing**

In computing we will be learning about 'Creating Music.' We will find out how we can use computers to create music digitally. We will also listen to some classical music and consider how music can be used to make us feel different emotions.

### **Art**

This term we will make a 3D hot air balloon picture using paper plates. We will look at observational drawings and discover the skills/ techniques that are used when sketching. Children will discover what tessellation is and then make their own tessellating bird picture.

### **D.T**

We will be designing and then making our own flying crafts using a wide range of collage materials. We will test our finished crafts to see how well they fly!

### **PSHE**

This term's topic is 'Dreams and Goals.' Our focus will be on things we would like to achieve and how we can do this by setting ourselves steps to achievement.

### **R.E**

Our focus for this term will be Islam and Hinduism. This will include looking at the five pillars of Islam and also finding out about Ramadan and Eid al-Fitr.
