9th February 2024

Dear Parents and Carers,

We have organised a Year 1 and 2 trip to The North School Farm on Wednesday 20th March 2024. This is a free trip with no cost for parents/ carers. During the day we will be spending time looking at different animals at the farm to support our Science learning.

We will be going to the farm in 4 groups spread out over the day and we will be travelling by school minibus. Children from 2AK will be attending the farm in the morning and children from 1MT will be attending the farm in the afternoon.

The first group will aim to leave school by 9:15 am. The last group will arrive back at school in time for children to be collected as normal. Please drop your child off at school no later than 8:40am on this day.

Children will be able to have their usual packed lunch or school dinner at school on this day.

Please make sure your child is wearing their school uniform and appropriate outerwear for the day. For example a waterproof jacket. Please ensure that your child is wearing comfortable footwear, such as trainers or wellies, (if it is raining as the farm can get muddy).

Please return your slip by Monday 26th February 2024..

This is a fantastic learning opportunity for the children. If you have any questions, please speak to a member of the Year 1 or Year 2 team.

Kind regards

Mrs Tapper, Miss Martin, Ms Bannister and Miss King
