Term 5 - Attendance Incentive

As you know we are keen for children to attend school every day. We know that there is rigorous research that shows that children who have good attendance, achieve more highly than those children who do not attend school regularly. With this in mind we are running a special event as an incentive for children to attend school regularly.

Last term we ran our Easter 'Egg-cellent' attendance incentive for the term. This term we are running another attendance incentive and will be rewarding children with a slush puppy at the end of term.

With your feedback from last term we will be changing how we run this incentive and moving away from a percentage score towards days attended. We will begin from **16/04/2024** and it will run up to the end of term on **Thursday 23rd May**. During this time, any child that attends **25 or more** out of the potential **27** days available will receive a slush puppy in school.

This is in addition to our weekly celebration assemblies, where classes with the best attendance are rewarded with prizes such as extra playtime, non uniform day, a film in class etc.

Thank you once again for your ongoing support in raising our school's attendance levels and the opportunities that this presents to your children.

Kind regards

Mr Randall
Welfare Manager
