23rd April 2024

Dear Parents and Carers,

As teachers, we are aware that children spend a lot of their time on gadgets, whether it be gaming, watching youtube or on phones or tablets. We would like to offer the class opportunities to learn new skills away from this online world, so we are asking for your help. Do you have a talent or skill that you could offer to a small group of approximately 6 children in year 3? It could be knitting, woodwork, painting, cooking, gardening, clay modelling, sewing, speaking another language, first aid or any other life skill that you think would be good for children to learn. We are looking to run this activity on Thursday 9th May.

Please let us know if you would be interested in supporting us with this.

Thank you in advance.

Yours sincerely
