

English

We will be reading the story 'The Tin Forest,' to inspire our writing. Along with this we will be looking at an animation called 'Caterpillar Shoes.' We will write for a variety of purposes, including story retells, diary entries and fictional recounts.

Art

We will be looking at sculpture and creating artwork using clay. We will also use shading and blending when drawing to add greater detail to our work. For our artist this term we will look at the work of Vincent Van Gogh.

Curriculum Overview

Year 2 Term 5

Topic: In the Garden

P.E

This term we will be learning handball and orienteering in Year 2.

D.T

This term we will be creating our own bug hotels. We will look at existing examples to generate our own ideas.

Science

This term we will be learning about plants. We will look at identifying and labelling the different parts of trees and plants.

Computing

In computing we will be learning about programming. This will include learning about sequencing and coding in order to create a basic algorithm using Scratch. Then learning how to debug to correct any errors in our codes.

Music

Our music topic for this term is called, 'The Dragon Song.' We will be learning to listen and appraise music.

Maths

Our focus for Maths this term will be mass, volume, capacity and temperature. We will learn which units are used to measure these.

History

Our topic is 'What is a Monarch?'. We will identify how Monarchy has changed over time, looking at similarities and differences. We will explore the special objects involved in a coronation.

PSHE

This term's topic is 'Relationships.' We will look at how everyone's family is different and discuss why it is important to value families.

R.E

Our focus for this term is 'Sacred Books.' We will look at why some books are considered to be 'holy'. We will explore stories from the Bible.
