Dear Parents and Carers,

We have had another busy term here at Beaver Green. The children have enjoyed a variety of trips and experiences, including trips to the North School farm and animal being brought into school, there are lots of exciting things planned for term 6. I would like to congratulate the Year 6 children for tackling the SATS with great maturity, each and every one of them gave their very best during the week, we hope the children going away to Ferny Crofts on residential during term 6 have an amazing time, we look forward to hearing all about it on their return.

Congratulations to all the children who were invited to the Headteacher's Tea Party. They all had a lovely time and enjoyed all the crisps and chocolate treats.

Don't forget that the summer fair is on **Saturday 29th June 2024** - we look forward to seeing you all there. If you are able to offer any help on this day, or help with the organising before, please let the office or Gemma know.

We hope that you have a relaxing half term and we look forwards to all the children returning on Monday 3rd June 2022.

Thank you for your continued support.

Ms Oakley

Attendance

Term 5 Attendance - 95.1%

Term 5 Class Winners:

1MT - 96.2%

5EC - 97.8%

Congratulations to the 207 children across the school who managed the perfect 100% score for the term.

A reminder that the start of the school day begins at 8:40am.

We are seeing a trend in poor punctuality where in term 5 alone we had 172 children arrive late to school with a total of 75hrs of lateness. This needs to be urgently addressed moving forward.

A big thank you to all parents/carers who are working with us to improve our attendance.

Good attendance is important because statistics show that pupils with good attendance have higher attainment in school and tend to make better progress socially and academically.

Beaver Green will continue working with you to keep you updated about your child's attendance by sending out letters at key points when it appears that a pattern of persistence absence days are taking place. This is so we can find ways to work together to support your child's attendance.
