PREMIER WRAPAROUND CARE - Beaver Green Primary School

LAUNCHING IN SEPTEMBER 2024

Dear Parents/Carers,

It is with great excitement that we announce that Premier Education will be taking over the wraparound care after school at Beaver Green Primary School Primary School from the start of the next school year.

Premier Education has been successful in delivering high quality provision in primary schools across the county for 20 years including physical education, holiday club care and extra-curricular sessions in sport and non-sporting activities.

In the last five years Premier Education have become experts in wraparound care, working closely with school improvement specialists B11, and with our enhanced, well-rounded, “healthy active” offer, more and more schools are choosing Premier Education to support and run their wraparound provision.

We have been communicating with the school leadership team on this project to ensure the wraparound care will act as an extension of the school day, allowing children to thrive in this new style of extended school hours provision.

From September 2024, Premier Wraparound will run after school every day the school is open. Our aim is to create an outstanding safe, secure, and fun environment that children and parents can trust.

Some of the benefits of Premier Wraparound care compared to other providers include:

- Access to a wider range of activities for children from gymnastics to gardening.
- A simple online booking system where parents book and receive instant email confirmation to easily track any bookings and reduce administration.
- A fully responsive office support team who will be ready to take any calls, queries and reply to emails with a quick turnaround between 9 am to 5 pm daily.
- Bookings available up to lunch time on the day of the session in case of any last-minute changes of plan.
- Increased siblings discount and offers.

Bookings for September will be available for parents of children in years R-6. We will be applying for the site to be on a compulsory Ofsted register, which means as soon as we have this for the setting, we will be able to accept childcare vouchers against this provision. This could take between 3-6 months from now to come through, so please bear with us, but we are hoping this will be in place for September.

As with anything new, we know that as a parent or carer you will have several questions. Below are a number of common FAQ's we have received when taking over at various settings over the past few years:

Q. We know Premier traditionally as a sports provider, what if my child isn't particularly sporty?

A. The care will not just be made up of sporting activities. We will have a mixture of staff who all have a lot of experience working with primary school children in similar environments. Sports, and performing arts activity professionals will work alongside our Play Workers, to ensure a wide range of other activities will be available each day, including sports, performing arts, free play, reading cooking, arts & crafts plus more.

Q. Will Premier be taking payments via childcare vouchers?

A. Yes, we will be. as soon as we have our Ofsted registration number and an easy step by step guide of how to book online and inform your childcare provider can be provided.

Q. What is 'Flexi Booking'?

A. Flexi booking is our unique insurance policy for parents if they need to change a booking. By paying £3.50 when making bookings, you will be able to receive a no questions asked refund if you need to cancel any sessions. One payment covers all bookings made at that time.

Thank you for reading, we will be sending promotional material over also in the coming weeks, with booking links

Yours truly,

The Premier Education Wraparound Team
