17th October 2024

Dear Parents and Carers,

We're thrilled to announce that on **Tuesday, November 19th, 2024**, Year 1 will have a very special visitor: the Science Dome! This incredible inflatable dome will be setting up in our school hall, transforming it into a prehistoric world filled with dinosaurs.

The Science Dome experience will provide our children with a unique opportunity to learn about dinosaurs in an interactive and engaging way. They'll have the chance to:

- **Explore a dinosaur - themed environment:** See life-sized dinosaur models and learn about their habitats.
- **Participate in hands - on activities:** Engage in fun experiments and games related to dinosaurs.
- **Ask questions and learn:** Discover fascinating facts about these ancient creatures.

We believe this experience will spark curiosity and enthusiasm for science and learning in our young students.

**To secure the booking, a payment of £7 per child is required.** This can be made easily through ParentPay. Please ensure the payment is completed by **Friday, November 15th, 2024.**

We look forward to this exciting adventure with your children!

Many Thanks

Miss Martin & Mrs Tapper
