

Newsletter

Friday 19th November 2021

Dear Parents and Carers,

You will be aware that that we have seen a rise in positive COVID-19 cases. In response to this we have put some preventative measures in place. These are:

- Staff to wear face coverings in communal areas
- Children in Years 2-6 will return to eating in their classrooms
- Assemblies will return to virtual or be class based
- Continue with regular hand washing and anti-bac
- Continue with additional cleaning
- Continue to ventilate rooms

We would also like to request that parents and carers wear a face covering when on the school premises, this will be compulsory if you need to come into the school for any reason.

We will also ask that you remember to social distance when you are talking to staff at the classroom door and remain behind the yellow line.

Unfortunately, we have taken the decision to make parents evenings all via the telephone, we understand that this will be disappointing for you, however we have to keep the community as safe as possible.

We are hoping that these measures will stop the spread in school and that we will still be able to go ahead with the christmas events that we have planned.

Thank you for your continued support.

Mrs Oakley

School Updates

ONE KIND WORD

Anti-bullying Week 2021

This week has been Anti-bullying week. The children have been involved in lots of different activities - some of which can be seen throughout the newsletter.

Homefront Bus

Unfortunately, the Homefront Bus broke down this week which has meant it has had to be rescheduled. It will now arrive at Beaver Green on Wednesday 8th December.

Thank you for your support

Year 6 would like to say thank you to the year 6 parent who donated an amazing Homefront Bus cake for us to raffle and raise funds towards WWII Day. Lots of people purchased raffle tickets and we raised a fantastic sum of £160. The cake was won by Russell in Zephaniah Class. Well done Russell!

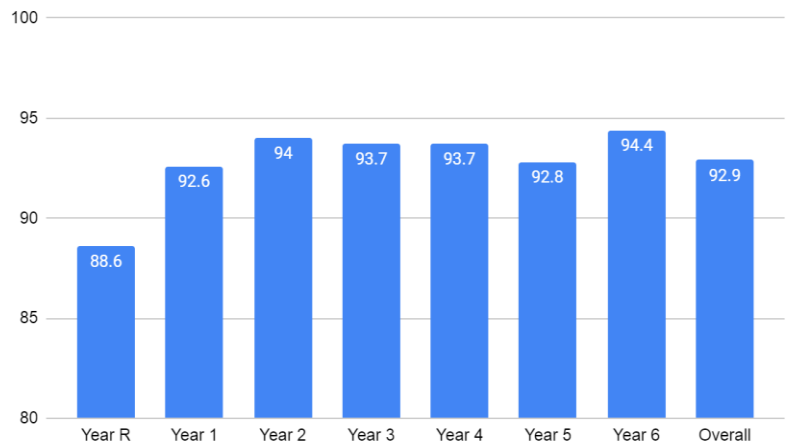

Attendance

Attendance - year to date up to 17/11/21

Our overall attendance for the year to date is 92.9%

Year to date

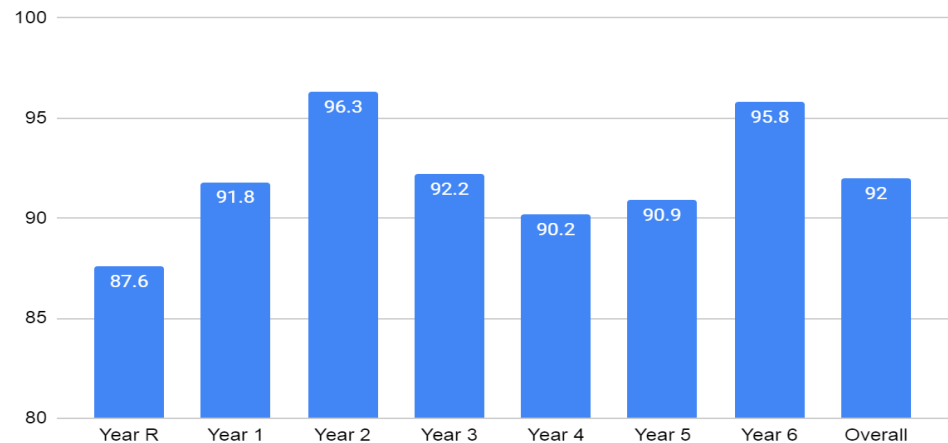

Weekly attendance (10/11/2021 to 17/11/2021)

The winning year group this week is Year 2 with attendance of 96.3%. The individual class with the best attendance is Mac Barnett class with attendance of 97.3%. Well done! Keep it up!

Weekly attendance

Safety Tip of The Week

Cyberbullying conversation starters

internet matters.org

Talking to 6-10 year olds

Before you start the conversation

-  Think about when and where is the best is to talk to them - in the car or a neutral place where they feel safe
-  Jot down what you want to say to focus your mind and make the conversation relevant to them
-  Be open and encouraging to make them feel supported
-  Have a few bite sized conversations to give them time to process

What you need to know

-  Think carefully about allowing your child on social media as the minimum age on most networks is 13 years old
-  Cyberbullying can take place 24/7 and happens repeatedly on a range of apps, games and devices
-  Younger children can confuse any nasty comment or opinion as 'bullying' so their understanding of bullying can be different to that of adults
-  Bullying is a learnt behaviour - so it's important to set a good example and regularly reinforce how being a good digital citizen

Tips to prevent cyberbullying

-  **Be engaged**
Talk to your child about what they like to do online and what they know about staying safe - see tips from Childnet
-  **Be kind online**
Being positive and respectful online is key to using the internet safely. Share 'Top Internet Manners' with them
-  **Know how to report**
Make sure your child knows how to report cyberbullying if it happens to them or someone else

Tips to deal with cyberbullying

-  Make sure your child knows they can share anything that upsets them online with a trusted adult. Watch Childnet's Captain Kara video 'T for Tell'.
-  **Never retaliate** - remind your child that saying mean things back to a bully makes the situation worse
-  **Save the evidence** - encourage your child to save messages, photos and screenshots of online bullying as proof to show to a trusted adult
-  **Explore the games and apps** your child uses together and find report and block buttons to understand what they do

Actions you can take to support them

-  **Listen and help**
Allow your child to explain what has happened and talk about it before making judgements
-  **Don't deny access**
It can be tempting to ban devices or using the internet to prevent the bullying but this isn't a solution and can make a child feel worse
-  **Know how to get help**
Your child's school can help you deal with cyberbullying and provide support and advice. If you feel the law has been broken then online bullying can also be reported to your local police force.

Cyberbullying and what you need to know:

Think carefully about letting your child on social media as the minimum age on most networks is aged 13.

Cyber bullying can take place 24/7 on many platform sites.

Bullying is a learnt behaviour - so it is important to set a good example and reinforce how to be a good digital citizen.

Anti-Bullying Week at Beaver Green - Year R

In Year R this week we have talked about how we all have some things that are the same and that we are also all **UNIQUE** and very different from each other. We looked at photographs of different people, families and our features and discussed the differences and similarities we could see.

afro hair

straight hair

blue eyes

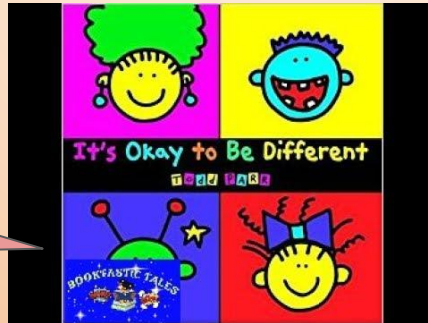

green eyes

brown eyes

We also read this lovely book.

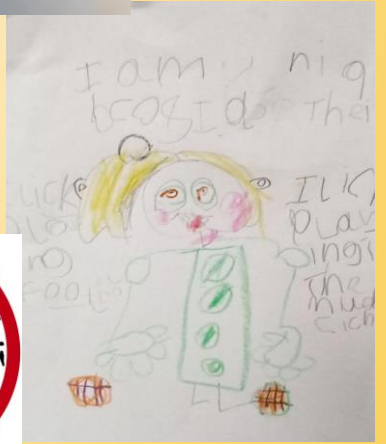

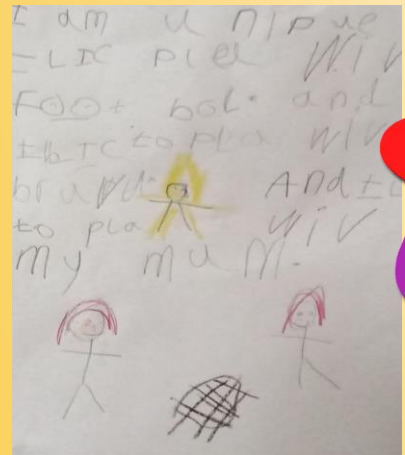

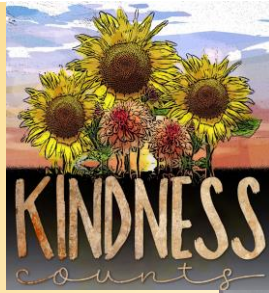

We have been learning to sing this song and have talked about the importance of the words that it contains. It doesn't matter if you're:

CHORUS:

Black, mixed or white.
Your hair colour, your height
This don't matter to me,
There's a place in this world for
Your religion and race,
Never feel out of place,
Whether you're young or you're old,
There's a place in this world for you,
And there's a place in this world for me.

Anti-Bullying Week at Beaver Green - Year 1

In Year 1 we have been looking at friendship and what makes us unique and special. We have created Unique Posters.

Anti-Bullying Week at Beaver Green - Year 2

In Year 2 we discussed what bullying means. Then in groups we acted out various scenarios and thought about what we should do if ever we felt worried about bullying.

If you ever receive text messages that are unkind you should always show your grown up.
Violet

If you see someone has been hurt you should go and fetch help.
George

Lillie and I are friends. I am brown and she is white but we are best friends.
Ava

Why would you want to be a bully? It just hurts other people's feelings.
Charlie D

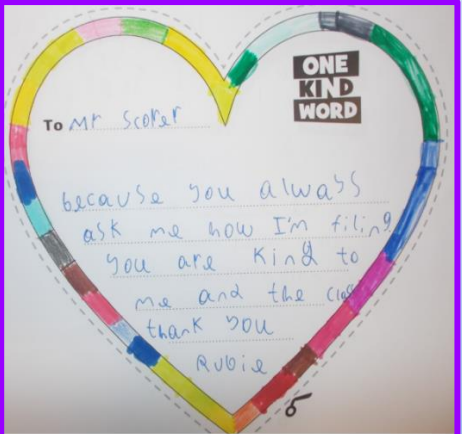

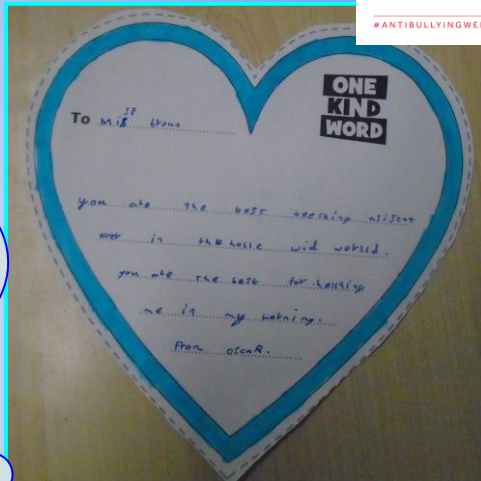

Anti-Bullying Week at Beaver Green - Year 3

We really enjoyed sending kind messages. We also collected as many smiles as we could. Smile to spread the kindness!

Kindness
is
Magic

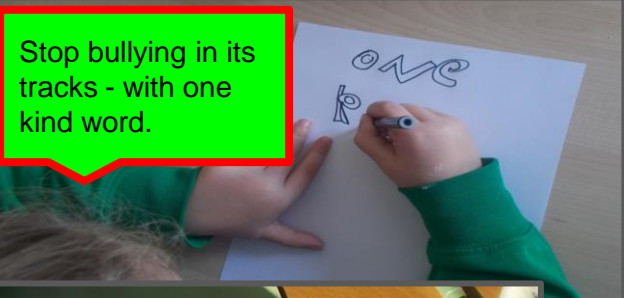

In Year 3 we sent messages of kindness to our friends and teachers. We thought about what it means to spread kindness and how the smallest act of kindness can start a ripple effect!

What will you do to start our ripple effect of kindness?

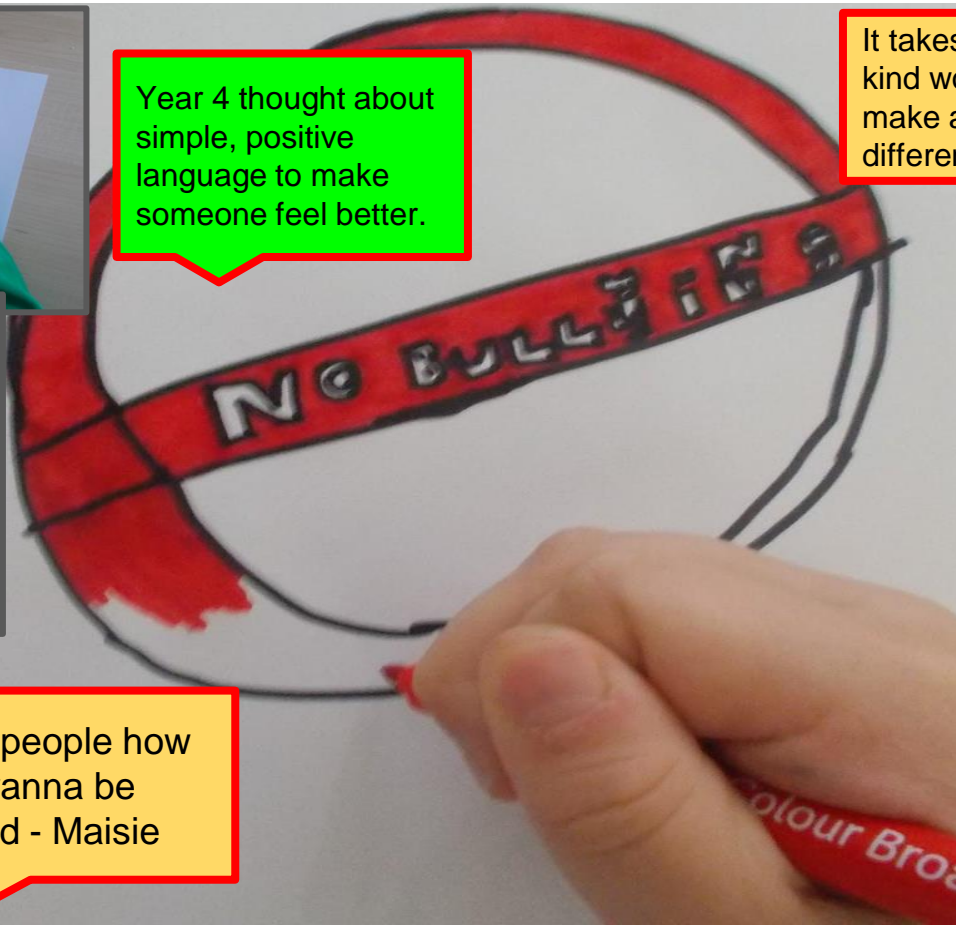

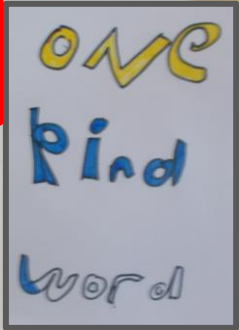

Anti-Bullying Week at Beaver Green - Year 4

Stop bullying in its tracks - with one kind word.

Year 4 thought about simple, positive language to make someone feel better.

It takes just one kind word to make a difference.

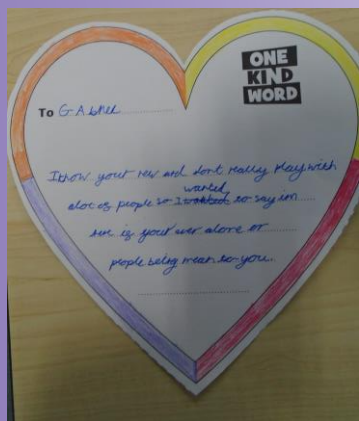

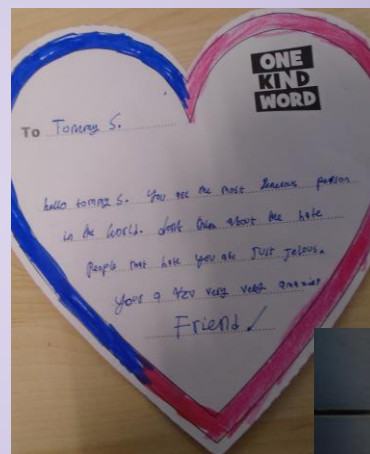

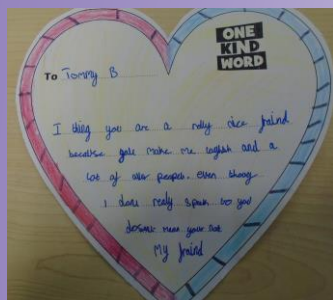

Treat people how you wanna be treated - Maisie

Anti-Bullying Week at Beaver Green - Year 5

We have spent our week discussing the importance of being kind and learning how to report/be proactive in making a stand against bullying. We then wrote a 'one kind word' message to someone that we don't always have the time to speak to. It made us so happy to see our messages at the end! #bekind

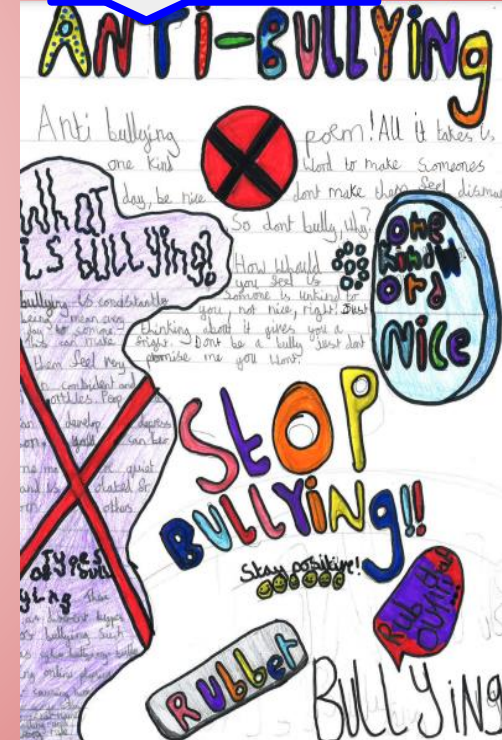

Anti-Bullying Week at Beaver Green - Year 6

Year 6 have been discussing how to recognise direct and indirect bullying.

Bullying doesn't have to happen all the time.

This week in Year 5...

On the vases there were carvings and paintings of the Gods and their different symbols so we used these to figure out who it was about. **Lauren**

We used the evidence to show that Hermes had winged sandals. **Jessy**

As part of our Discover lesson, we used historical sources to learn more about the Greek Gods. We then investigated and used evidence to create an accurate representation of some of the Greek Gods.

There are 12 Olympian Gods. They lived on Mount Olympus. Noyem

The god Ares wasn't liked by many gods. **Ronnie**

Star of the Week - Nursery

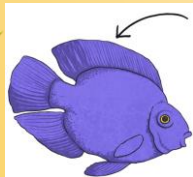

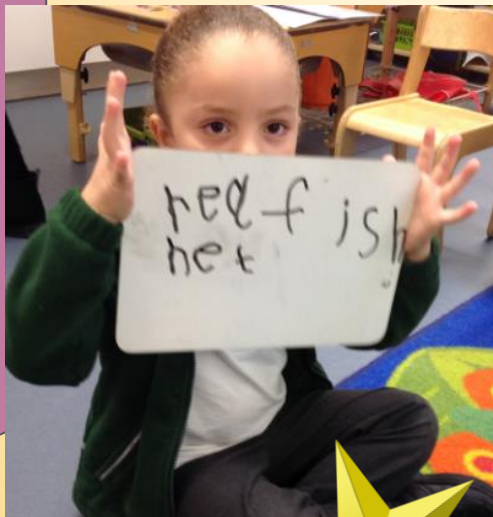

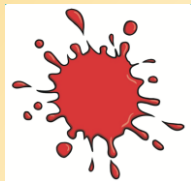

Star of the week in
Nursery this week
goes to Lexa for
listening really
carefully in Phonics
and remembering
what sounds m,a,s,t
and d make! Well
done Lexa!

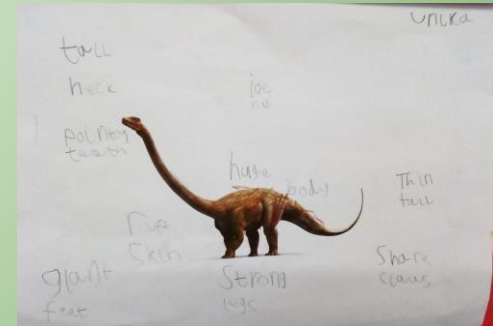

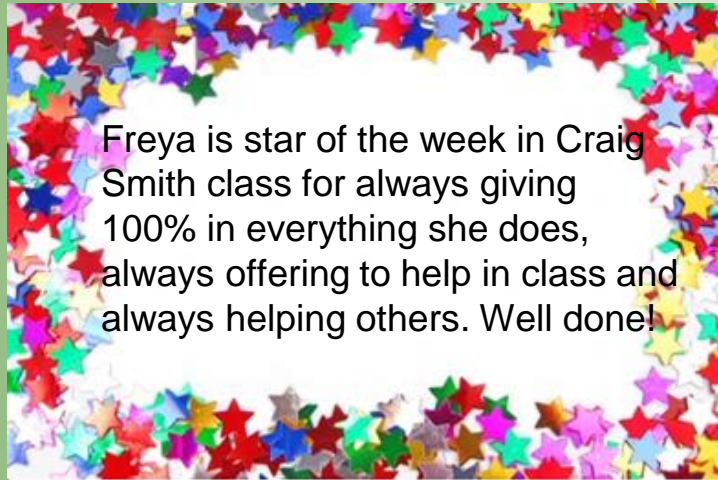

Star of the Week - Reception

Star of the week in Ladybird class this week goes to Ezra for working super hard in Phonics. He looked at 3 pictures, a net, a fish and the colour red and was able to independently write the words to match them. Excellent use of your sounds for spelling Ezra, well done! You're amazing!

Star of the week in Bumblebee class this week goes to Zofia for her amazing fire engine biscuit she made. She was able to follow the instructions whilst making her biscuit. Well done Zofia.

Star of the Week - Year 1

Star of the Week - Year 2

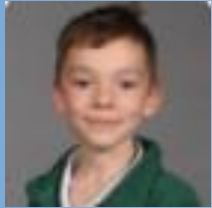

Star of the Week for Wiesner Class goes to Chester for always contributing to class discussions and being an enthusiastic member of the class. Well done Chester!

Star of the week in Barnett Class is Ella! She has written a fantastic story based on Sammy the Street Dog. Well done Ella!

Star of the Week - Year 3

George is our shining star of the week in Wilson class for answering and asking questions carefully.

The Star of the Week in Bright Class is Charlie! Charlie always tries his best in everything that he does. He is also a kind and caring member of our class.

Star of the Week - Year 4

Star of the week in Hardy class is Emily. In class, she is focussed and works hard to get the best out of herself. Also, I have noticed how many times I break into a smile when she is talking to me (and others). Whether she is explaining something about the bread at lunchtime or discussing her interests, I always come away feeling a bit brighter. What a lovely ability. Well done.

The Star of the Week in MacKenzie Class this week is Jacob. Jacob is always a superstar - whether it be participating enthusiastically in lessons, being a kind and thoughtful friend, being respectful in his speech and actions, showing fantastic learning behaviours or just by flashing that amazing smile! Keep being you!

Star of the Week - Year 5

Our star of the week in Rauf class this week goes to Lacey-Marie. Lacey has worked so hard to try her best in all lessons and shown great courage in Maths. We have also loved hearing her fantastically descriptive explanations during our lessons. Well done - we are very proud of you!

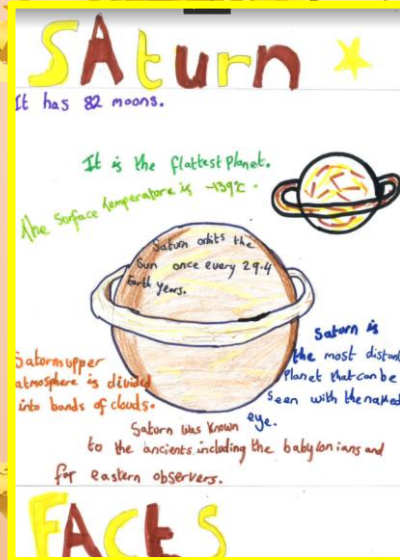

The Evans star of the week is Maci. Maci has been really kind this week and has helped and supported Marek like an absolute superstar. You have shown true kindness this week Maci. Well done and thank you..

Star of the Week - Year 6

In Jennifer Killick class our Star of the Week is Scarlett for doing some research about the planet Saturn and then creating an amazing poster. Well done Scarlett. We are really proud of you.

In Benjamin Zephaniah class this week, Star of the Week is Marc. Marc's attitude to learning has improved massively and has produced a lovely piece of writing when writing a biography about Benjamin Zephaniah. Well done Marc.
