

Year 5 trip to the Turner Contemporary - Apple a Day Project.

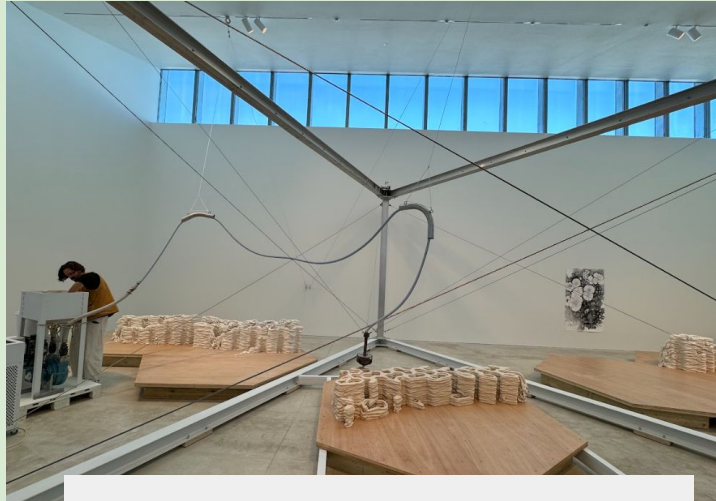

Some of our Year 5 pupils have been lucky enough to take part in the 'Apple a Day Project' which has been a joint project between Brogdale Farm and The Turner Contemporary. Anya Gallaccio, (who is the artist who created the display) invited us to see her work and took us on a tour of the gallery, explaining what her inspiration was for this display. We talked about the materials she used which included chalk, wax, bronze and clay as well as actual fruit, flowers and trees!

Year 5 trip to the Turner Contemporary - Apple a Day Project.

Following our tour with Anya, we then got to create our own clay relief tiles which we felt very proud of. We even got to see a working 3D printer which is making one of Anya's sculptures.

3D Printer.

Our Clay Tiles!
