Term 4

Dear Parents and Carers,

What an amazing term we have had. All the children thoroughly enjoyed science week and learnt lots of new 'cool and interesting' things. Look out for the video showing all the amazing things that the children learnt.

Congratulations to all the children who were invited to the Headteachers tea party - we had a lovely time eating cakes and sweets. It is lovely to hear the reasons they are chosen for and why their class teacher thinks they are so deserving of this reward - look out for the pictures on Weduc.

I hope that you have an enjoyable and restful holiday with family and friends and we look forward to welcoming you back to school on the 22nd April.

Ms Oakley and the leadership team

Attendance

Term 4 Attendance - 93.7%

Term 4 Class Winners:

1AM - 95.7%

6OB - 96.7%

Congratulations to the 44 children across the school who managed the perfect 100% score for the term

Punctuality News

We continue to see a poor trend with arriving to school late in the mornings.

In term 4 we had a total of 89 pupils late to school on 319 occasions, with a total of 66 hours of recorded lateness.

The school days begins promptly at **8:40am**

This term has been an exciting one for **OPAL**. We have a new boat, tractor tyres and our Play Patches are starting to take shape! We look forward to inviting you in to see OPAL in action very soon.

Thank you so much for all of your donations and help. Please keep the donations coming and let your child's class teacher know if you are able to help in any way. A special thanks to -

- Mrs Hollingsbee and Mr Baker for arranging and delivering the big tyres
- Matt and Rachel for kindly donating their boat to us and Mr Elkins for collecting it.

Star of the Week - Term 4

Reception - Ladybirds

All Ladybirds- For settling back to Term 4

Oscar - engagement in computing and helping his classmates when using the 3D printing programme.

Taya - For always following the GREEN rules and values.

Daizy - For writing a great persuasive letter in English.

Term 4 - EYFS

Following our Woodland and Growing topic this term we have explored lots of different activities inside and outside. We have looked at the life cycle of plants and different parts of a plant. We have very much enjoyed the sunshine!

We have had a wonderfully busy spring term learning all about animals living in different habitats. We had a trip to the farm, world book day, science week and then finishing with our fantastic Easter Bonnet Parade. Thank you all for your support this term, have a fun easter holidays!

In Term 4, Butterfly room has been exploring planting and growing. The children enjoyed planting cress heads, sunflowers and runner beans and have loved caring for them and watching them grow. We also celebrated special moments with our Mother's Day Assembly and our Easter Bonnet Parade.

Term 4 - Years 1 & 2

Year 2 have had an excellent term! We thoroughly enjoyed science week as we got to take part in lots of experiments and meet some amazing scientists! Year 2 have enjoyed writing book reviews, non-chronological reports and exploring the story of the Three Little Wolves and the Big Bad Pig!

Wow! What an exciting term Year 1 have had! From celebrating World Book Day, Science week and our trip to London, we have had a blast! Take a look at just some of our highlights!

Term 4 - Years 3 & 4

This term Year 3 have been enjoying learning all about Egypt. We really enjoyed making mummified cats.

Year 4 have been busy this term, they had a talk from Bikeability to learn about gears. They tasted some Mediterranean Food for Geography. We had fun at the park & learnt how the playground equipment works. Following this, Year 4 built their own mini playground!

Term 4 - Years 5 & 6

In DT this term, the children in Year 5 have been learning about food. They had the chance to make pitta bread. After the bread had cooked the children had to taste it and evaluate it. Good fun was had by all.

What a busy term Year 6 have had! During science week, we took part in many different workshops and were invited to spend an afternoon in the science lab at The North School. We were also lucky enough to have tickets to watch a performance of We Will Rock You at the Towers School. The show was brilliant and enjoyed by all. In History we have been learning about the Suffragettes and how different women in history had to fight for Women's rights. In DT this term we were looking at cooking and making Mezze dishes. In small groups we made tzatziki and baba ghanoush - we all had a taste taste of each others dishes!

In PSHE this term, the children have been learning how to keep themselves and others safe. We talked about how to keep safe on the internet and what we would do if we were to see a person unconscious on the floor. The children now understand how to make a 999 call and how to put another person into the recovery position.

Congratulations to 5MM who have successfully completed their sponsored cycle ride to John O'Groats. A total of 1209KM It has been great to see how focussed the children have been with this challenge. We will collect any sponsor money after the Easter break and arrange a special treat for the children.

60B at the North School during Science Week
