A Request Regarding Playground Language

Dear Parents and Carers,

We are writing to you today to respectfully address a matter concerning the language being used by parents and carers while dropping children off and collecting them from school.

Our school strives to maintain a safe, welcoming, and **child-friendly environment** for everyone. We believe that the language used by adults around the children should reflect the positive, respectful atmosphere we work hard to cultivate.

Recently, there have been several instances where we have observed and received feedback regarding **profane or explicit language** being used by adults on the playground, often within earshot of our students.

We understand that frustrations can occur, and sometimes words slip out. However, we ask that you be mindful that your language serves as a **powerful example** for the children. They often repeat what they hear, and consistent exposure to swearing can normalize language that is inappropriate for a school setting.

To help keep our playground an inclusive and positive space for all ages, we kindly request that all parents and carers refrain from using explicit or curse words while on school property, especially during drop-off, pick-up, and while children are playing.

Thank you for your cooperation and understanding in helping us ensure that the school playground remains a fun, safe, and appropriate environment for all of our children.

Sincerely,

Kind regards

Ms Oakley
