## Friday 7th January 2022

Dear Parents and Carers,

I would like to wish all of our community a very Happy New Year and hope that 2022 is a kind year to you all.

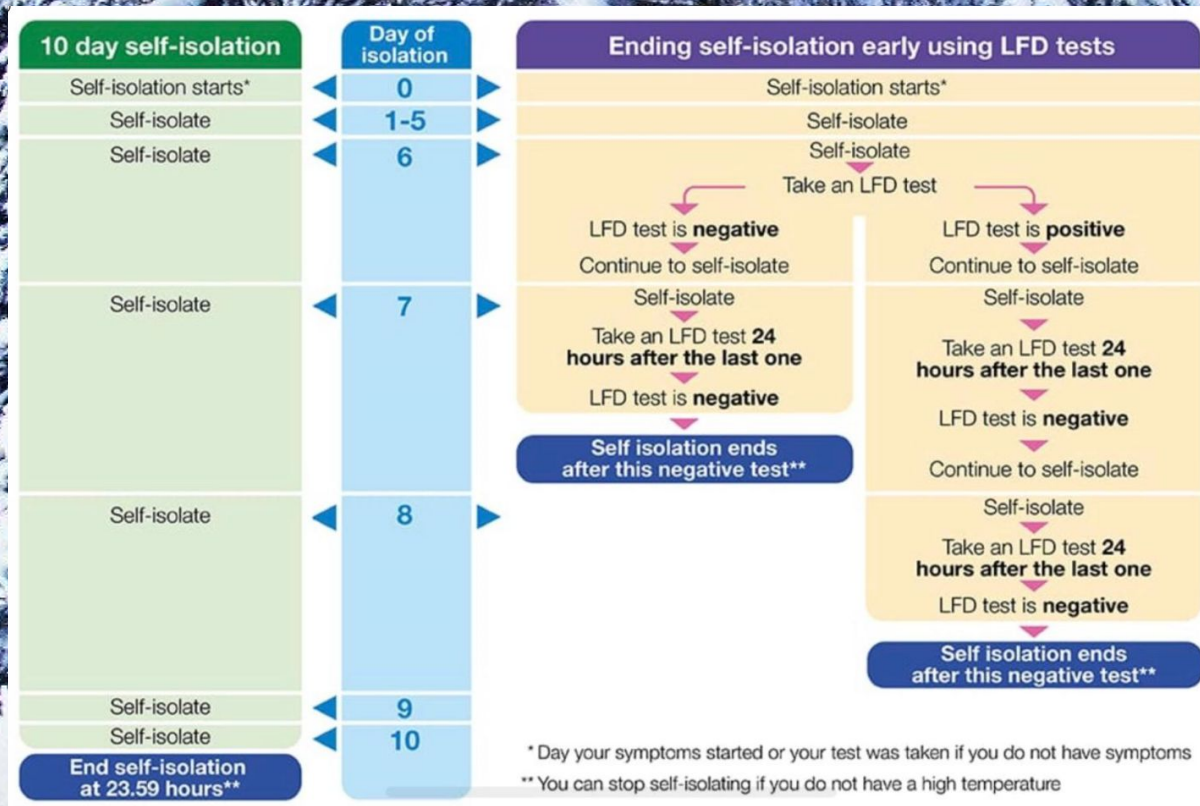

The children have settled well back into school and have worked very hard this week, focussing well on their learning.

Please can you ensure that your child has the correct clothing in school everyday. The weather has turned very chilly this week and children do need coats to wear when they are outside. We are also continuing to ventilate the classrooms to try and prevent the spread of COVID-19, with this in mind, if you wish to add an extra layer of clothing, such as a vest or T-Shirt underneath your child's school jumper you are welcome to do so. Children are also permitted to wear gloves in the classroom if they so wish. Some children find fingerless gloves more useful for this, but normal gloves are fine too. Children will also continue to attend Forest School, so please ensure they have warm clothing on their Forest School day. More information can be found later on in the school newsletter about this.

Thank you for your continued support and we look forward to this exciting term ahead.

# School Updates

This flow chart shows the updated guidance on self-isolation should you or your child test positive for COVID-19.

If you have any questions about this - please do not hesitate to ask.

# School Updates

## Forest School

**Please remember to have the correct clothing and footwear on your Forest School day.**

**The weather is likely to be wet and cold over this term so please ensure you have enough layers and spare clothes to make your session as comfortable as possible.**

**If your sessions are in the morning please come to school in your Forest School clothes and if it is in the afternoon please bring your clothes in with you.**

**If you have any questions please email:  
[chloe.warrickdalton@swale.at](mailto:chloe.warrickdalton@swale.at)**

### **Term 3 Timetable**

**Tuesday AM - Evans Class  
Tuesday PM - Zephaniah Class**

# Safety Tip of The Week

Next week we will be holding assemblies that teach the children about the PANTS or underwear rule. This is an assembly that we hold regularly to help children keep themselves safe.

The Underwear Rule teaches children that their body belongs to them, they have a right to say no, and that they should tell an adult if they're upset or worried.

If you are worried about talking to your child about this topic, there are some useful hints and tips on the NSPCC website. You can google NSPCC and find their website that way, alternatively you can click this link and that will take you to the website.

[NSPCC](https://www.nspcc.org.uk)

Alternatively, you can talk to your child's teacher or a member of the welfare team if you have any questions or concerns about this.

# Star of the Week - Nursery

Star of the week in Nursery  
this week is Joy. Joy has  
settled back into Nursery really  
well and has grown so much in  
confidence. Well done Joy.

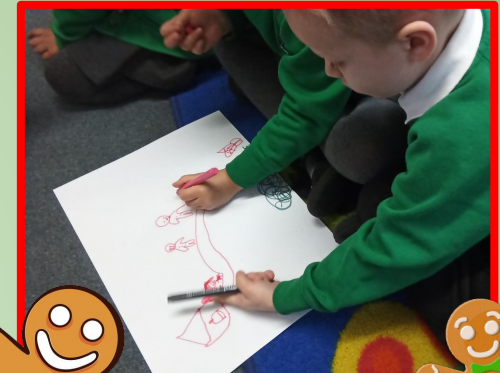

# Reception Learning in Term 3

This term we are learning all about Traditional Tales. We have started the term off with The Gingerbread Man. We have really enjoyed retelling the stories in lots of different ways, including acting it out and making story maps. We have worked with our friends to create our own story maps and completed lots of Gingerbread Man themed challenges!

# Reception Learning in Term 3

We have enjoyed exploring ingredients and using the different utensils like the baker, made bridges for the Gingerbread man to cross the river and drawing the characters and the Gingerbread Man's journey.

# Star of the Week - Reception

Ladybird Class' star of the week is Esme! She has really enjoyed retelling the story and is very good as saying 'Run run as fast as you can...' using a great Gingerbread Man voice. She also drew this fantastic story map. Brilliant Esme!

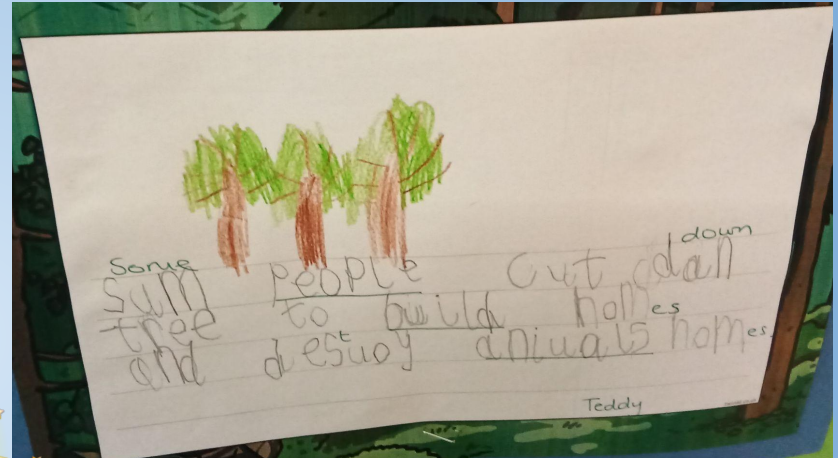

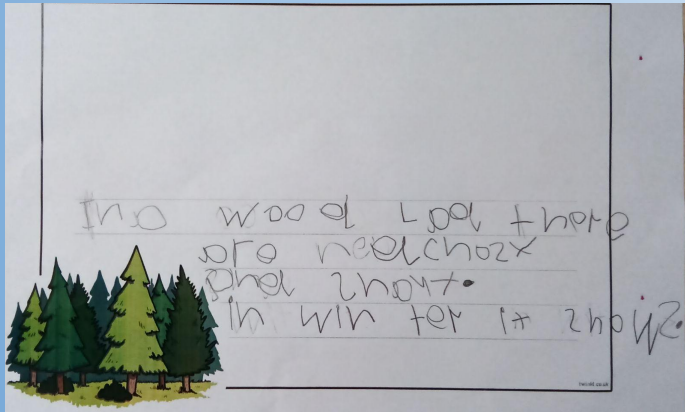

In Bumblebee Class Scarlett and Aidan are our stars of the week. They worked really hard together to create a joint story map of our story The Gingerbread Man. They took it in turns to draw a picture each and labelled them using their phonic knowledge. Well done!

# Star of the Week - Year 1

Maylynn is star of the week in Craig Smith this week. She has been trying very hard with her writing and wrote a lovely sentence about woodlands. She used her phonic knowledge well.

Teddy is star of the week in Sam Lloyd this week. He has written super sentences about forests. Well done Teddy amazing writing!

# Star of the Week - Year 2

Star of the Week for Wiesner Class goes to Armina who has just joined us this week.

Armina has settled in really well and has made a great start in Year 2. Well done Armina!

Barnett class' star of the week is Leon. He has really tried hard this week and made thoughtful contributions during carpet time.

# Star of the Week - Year 3

Our Star of The Week in 3SK this week is Jake for showing that he really cares about his work and for having a good attitude.

The Star of the Week in Bright Class is Blake! Blake puts so much effort into his learning and has made me so proud with the progress he has made. Keep it up Blake!

# Star of the Week - Year 4

Star of the week is Jasmine. I keep on catching her doing the right thing, head down into her work, being focussed and asking for help when needed. Brilliant

Star of the week is Everyone! A big well done to all of Mackenzie class for being so welcoming to Miss Monticelli, and coping with the new changes so well! Thank you!

# Star of the Week - Year 5

Star of the week in Rauf class goes to Lauren. Lauren has made a fantastic start back to school this week. I have been so impressed with her willingness to learn. Lauren has asked questions, shared her ideas and listened so well in all our lessons - this has meant she has been able to produce some fantastic work! Well done Lauren - we are very proud of you!

The Evan's star of the week is Leighton. Leighton has made a great positive start to this term and is trying his very best with everything. Thank you Leighton for always walking into class in the morning with a big smile on your face. You are a superstar!

# Star of the Week - Year 6

In Jennifer Killick class our Star of the Week is Alfie J for working amazingly in maths by plotting a range of coordinates, and reflecting and translating shapes. Well done Alfie!

The Star of the Week in Benjamin Zephaniah class is Lucy. Lucy has been working super hard in Maths lessons this week. She has been following along carefully and persevering with some very tricky maths! Well done Lucy! You are a superstar!
