Dear Parents and Carers,

We have received communication from a local resident who has grave concerns about the parking around school at drop off and collection time. It has been noted that the parking by the parents at Beaver Green is dangerous and irresponsible. Parking on the zig zag yellow lines, breaks the law there are no circumstances that allow parking in these areas. Parking here also blocks the flow of traffic and provides more dangers for the children of our school.

The Highway Code: Rule 243 states that:

DO NOT stop or park:

- near a school entrance
- anywhere you would prevent access for Emergency Services
- opposite or within 10 metres (32 feet) of a junction, except in an authorised parking space
- opposite a traffic island or (if this would cause an obstruction) another parked vehicle
- where the kerb has been lowered to help wheelchair users and powered mobility vehicles
- in front of an entrance to a property
- on a bend

Please ensure that you are adhering to the highway code and ensure that you are parking responsibly and considerately. Please do not park in an unsafe and dangerous way. We do not want a child or parent to be injured in any way.

Thank you for your consideration towards this difficult situation.

Yours sincerely

Ms T Oakley
