4th February 2026

Dear Year 2 Parents and Carers,

I am writing to share some exciting news regarding our upcoming Primary Careers lesson. On Monday, 9th February, we will be joined by a very special guest, as Mrs Tapper will be bringing her dog, Millie, into school to meet the children.

This visit is part of our ongoing focus on career skills, specifically looking at the expertise and patience required to be a dog trainer. The children will have the opportunity to learn about animal behaviour, the specific skills needed for this profession, and how to interact safely and respectfully with animals.

We want to ensure that all children feel comfortable and safe during this visit. If your child has an allergy to dogs or has a particular fear of them, please could you let your child’s class teacher know as soon as possible? This will allow us to make any necessary arrangements to ensure everyone can participate in a way that feels right for them.

Thank you for your continued support in bringing our curriculum to life.

Yours sincerely
