

Newsletter

Friday 11th February 2022

Dear Parents and Carers,

We have reached the end of another busy, fun-filled term. Children have had some great opportunities this term to take part in lots of different activities both inside and outside the classroom.

This week the children have taken part in Internet Safety Day, you will be able to find more information out about that further on in the newsletter, please ask you children about this, I am sure they will have lots to tell you. The girls football team had a successful tournament; read on to find out more...

We will continue to monitor the guidance that is sent to us with regards to COVID-19 and we will keep you informed of any new information when we return in the new term.

Thank you to all members of the community for your continued support this term. I would also like to take this opportunity to thank all the staff at Beaver Green for their hard work and dedication they show to the children of this school. We are very privileged to have such an amazing staff. Thank you everyone.

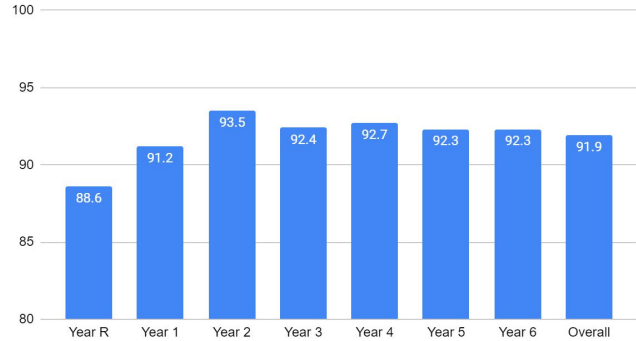

May I remind you that we return to school on Monday 21st February 2022.

Please have a safe and fun holiday and we will see you all in Term 4.

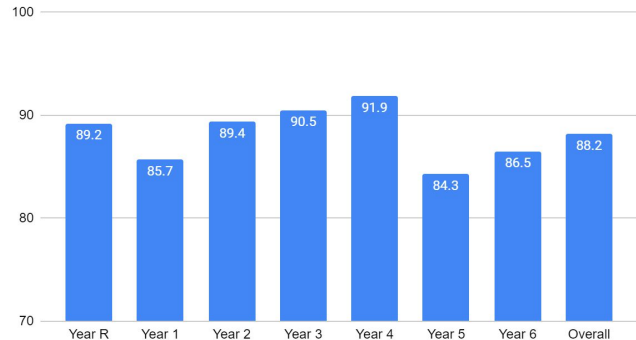

Mrs Oakley.

Attendance

Year to date 01/09/2022 to 04/02/2022

Weekly attendance 28/01/2022 to 4/02/2022

Congratulations to Ross Mackenzie Class. You have won the attendance award again this week.

Your attendance is 93.9%. Well done - keep it up.

Who will be the winner next week?

After the holiday, we will be introducing weekly attendance prizes for the class with the best attendance. So look out for these and let's see which class wins the first prize.

Fitness

<https://www.parkrun.org.uk/ashford-juniors/>

Ashford Junior Park Run is celebrating their 250th Year of park running this Sunday at 10am at Victoria Park

It is a 2km run which is free and open to all children 4-14. It is really supportive and all abilities are welcome. Click on the link below to register for your free barcode.

Girls Football

Well done to our Year 5 & 6 Girls Football teams, who took part in the Ashford Schools Football tournament on Wednesday at Homelands Stadium.

The tournament was organised in support of the **#HerGameToo** campaign. Both sides progressed to the final of their respective groups, but were sadly beaten in the final.

All the girls were amazing and played with a smile throughout.

Safer Internet Day at Beaver Green - Reception

[Advice for
parents/carers](#)

In Bumblebee and Ladybird Class we listened to the story all about Smartie the Penguin. We talked about how is it important to speak to a grown up if we are worried about anything on a computer, tablet or phone.

We designed our own games for the tablet that we would like to play. We also wrote about what we did at home on the internet, including the games we enjoy!

Safer Internet Day at Beaver Green - Year 1

[Advice for
parents/carers](#)

We designed our own avatar.

**Safer
Internet
Day 2022** | **Tuesday
8 February**

Coordinated by the UK Safer Internet Centre

- **Ask your children to tell you about the sites they like to visit and what they enjoy doing online.**

What games do you and your friends like to play online? Can you show me the websites you visit the most? Shall we play your favourite game online together?

- ▲ **Ask them about how they stay safe online.**

What tips do they have for you, and where did they learn them?
What is OK and not OK to share?

- **Ask them if they know where to go for help.**

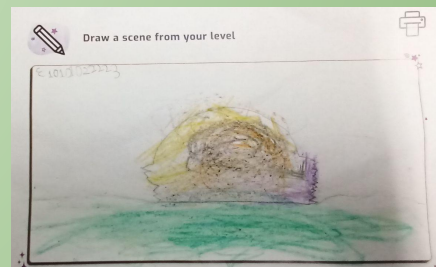

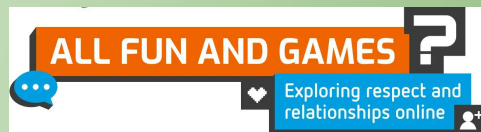

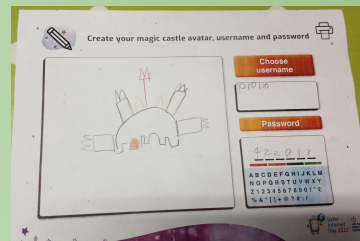

Where can they go to find the safety advice, privacy settings and how to report or block on the services they use?

- ◆ **Think about how you each use the internet.**

What more could you do to use the internet together? Are there activities that you could enjoy as a family?

We talked about not sharing passwords.

We have talked about staying safe online.

Safer Internet Day at Beaver Green - Year 2

[Advice for
parents/carers](#)

In year 2 we talked about how we can have fun online

I play games like
Roblox

Finley

I do video calls with
my family.

Lillie T-B

I listen to music,
especially Encanto!

Ava

I watch Netflix

Leon

Then we talked about 'Respect'
and how we can be respectful
online and played a game called
Send or Don't Send.

We learnt that to be
respectful online we needed
to:

- Include people when they want.
- Be kind and supportive
- Think about how our words and actions may affect others
- Understand that someone might not want the same as you
- Listen to others to be included
- Not to put pressure on others

Safer Internet Day at Beaver Green - Year 3

Advice for
parents/carers

We were able to give examples of how to be respectful to others online and describe how to recognise healthy and unhealthy online behaviours.

Oscar - I would tell someone don't go on multiplayer because you could be playing with people you don't know.

Percy - don't use your real name, house number on your username. Keep personal information private.

Dominic - Block people who make you uncomfortable.

Ellie - if people don't want to they will be scared and they this could upset them.

Safer Internet Day 2022 Tuesday 8 February

Coordinated by the UK Safer Internet Centre

ALL FUN AND GAMES ?

Exploring respect and relationships online

Group 1

Giving advice to a player under pressure

1. What would you say to reassure a player who was feeling under pressure?
2. What could a player under pressure say to the person who is making them uncomfortable?
3. If asking someone to stop is too difficult, what else could they do?

Group 2

Giving advice to a player putting others under pressure

1. Can you explain why putting others under pressure isn't kind or helpful?
2. What can players do to help other members of their team play at their best?
3. What could someone do if they are stressed about winning a game and finding this difficult to manage?

Like the situation I was in when I wrote my postcard!

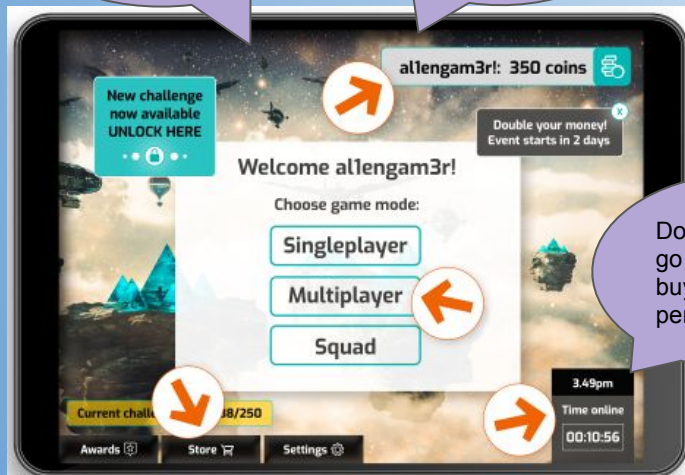

Like the other player I described in my postcard!

Nayuma - Tell a grown up and block them.

Evie - If someone is putting you under pressure, say no or tell an adult.

Dominic - never go on store and buy stuff without permission.

We demonstrated how to support others (including those who are having difficulties) online by offering advice.

Safer Internet Day at Beaver Green - Year 4

[Advice for
parents/carers](#)

Tianna - if you are playing a game online and someone asks you to go and play with them you should check with your parents

Dylan - if you are 10, and do something very bad online, the police can actually get involved and speak to you and your family.

Aleeza - No means no.

Georgia - don't play with someone you don't know.

'In The Moment' scenarios

You're playing an online game in a team and your friend goes offline. You get a private message saying that you were all playing too fast and no one was waiting for them, and now they're feeling really upset. What do you do?

You've been chatting to a player online in your favourite game for a while now and feel like you know them really well. They want to add you as a friend and even ask for your telephone number. What do you do?

Amy - if you see someone bullying online, make sure you tell your parents

For safer internet day we looked at how to be safe online, especially where so many of our children use social media or play on games which have communication with other people

Max - if someone is bullying you on a game such as Roblox, you can just say NO to them, block them and tell an adult.

Safer Internet Day Quiz

Play the Safer Internet Day quiz for 7-11 year olds. This could be printed and completed by individuals or pairs, or run as a group activity.

Tyler is playing in a team online with one of his friends from school. They're in a difficult match and Tyler can hear his friend getting more and more frustrated over his headset. When they lose, his friend loses his temper and there's a loud noise before he disconnects from the game. What should Tyler do?

A. Wait until his friend is next online then make a joke about him rage quitting ☐

B. Give his friend some time to cool off then send him a supportive message ☐

C. Suggest they don't play that game again as it's too tricky ☐

Watch the film created by the UK Safer Internet Centre to support this year's theme, 'All fun and games? Exploring respect and relationships online'.

Fantastic work! You're well on the way to understanding the importance of respect and relationships online. You also have a pretty good idea of what is and is not okay, and when you might need to do some further thinking.

Safer Internet Day at Beaver Green - Year 6

[Advice for parents/carers](#)

TBAT describe strategies for safe and fun experiences in a range of online social environments.

Is there anything you shouldn't include in your username?

Rules about your username

- Never ever put your name and how old you are in your username because people can figure out who you are or hack into your account.
- Think about who you're playing with
- Be careful what you share
- Do strong passwords

Personel information

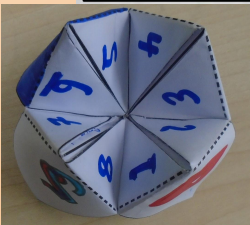

Do not give out any personel information

Such as, address, name, age or passwords.

Do not have a password such as "123456789"

Or "123ABC" as they are not as secure as "10293738474"

Or "RUS122"

Who can you play games with?

Star of the Week - Nursery

Star of the week
is Paul

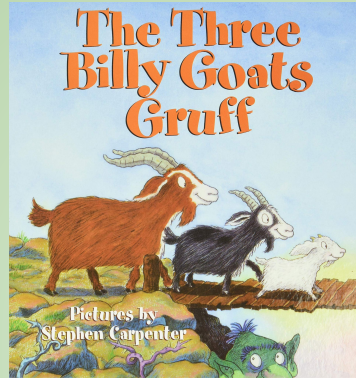

Paul has been such a kind
friend this week, by helping
his friends zip up their
coats.

STARS OF THE WEEK

Star of the Week - Reception

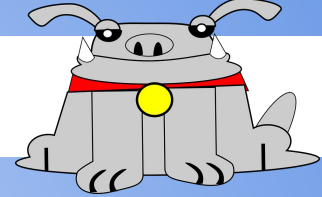

Ava is star of the week this week in Ladybird class because she tried hard to write, 'My tablet,' using her phonic knowledge. She enjoyed talking about playing Elsa and Anna games as well as Peppa Pig games. Ava also created this amazing bridge for The Three Billy Goats Gruff to cross the river. Well done Ava!

Akira is Bumblebee Class star of the week. Akira observed and drew a stick insect. We got the stick insect out to look at and Akira added the prickles and spikes to the stick insect's legs. She then wrote a sentence about the stick insect. Well done Akira!

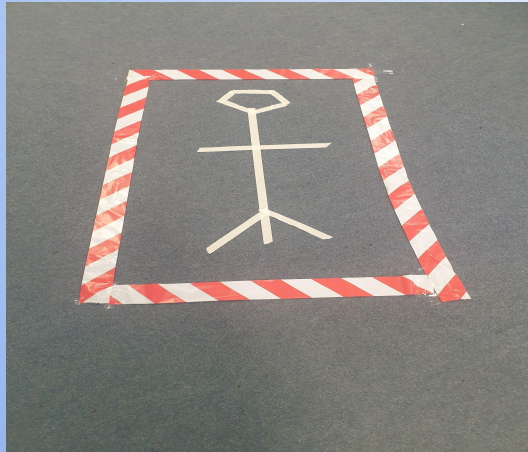

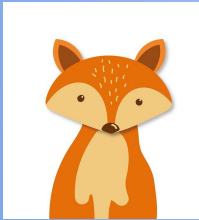

Star of the Week - Year 1

Star of the week in Sam Lloyd and Craig Smith is all of the class for excellent writing about Stickman and working hard this week. Well done Everyone!

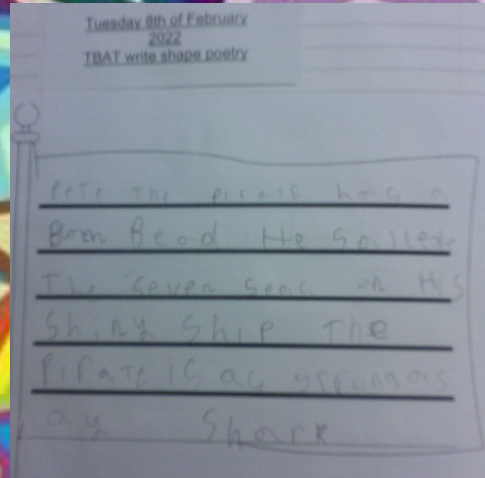

At lunchtime today Stickman was stolen. It is not known who has taken him, or where he has disappeared to! Eye witnesses noticed a large scary dog, a huge, orange fox and a prickly hedgehog, all lurking around the school. However, it is not clear what has happened to Stickman or what danger he might be in. Stickman is tall and woody and made out of strong sticks and leaves and large googly eyes. It is important that he is found soon as he is not safe in the woodland by himself. Please contact a member of staff at the School if you hear anything about his disappearance!!!

Star of the Week - Year 2

Star of the week for Wiesner class goes to George for great enthusiasm when performing poetry to the class. Well done!

Freddie is Star of the Week in Barnett Class. Freddie has worked so hard this term, he has focused on his learning and making the right choices. We are really proud of you Freddie. Keep up the good work!

Learning in Term 3 - Year 3

We have really enjoyed learning about Oceania!

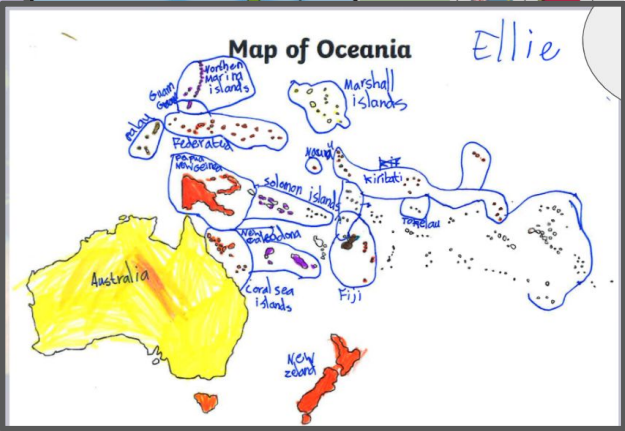

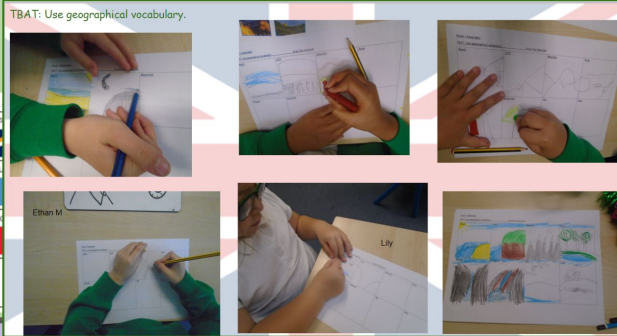

In PSHE we have been thinking about our dreams and goals!

We have looked at maps!

Countries in Oceania Word List

Australia	Fiji	Kiribati	Marshall Islands
Micronesia	Nauru	New Zealand	Palau
Papua New Guinea	Samoa	Solomon Islands	Tonga
Tuvalu	Vanuatu		

My Weather Record Activity Sheet

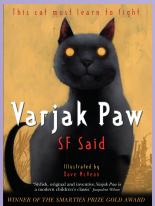

Record the weather for last week. Use the symbols.

	Morning (Before lunchtime)	Afternoon (After lunchtime)	Evening (Dinnertime)
Monday	light & cloud	light & cloud	light & cloud
Tuesday	light rain	light rain	light rain
Wednesday	sunny	great breeze	light & cloud
Thursday	light & cloud	light & cloud	light & cloud
Friday	light & cloud	light & cloud	light & cloud

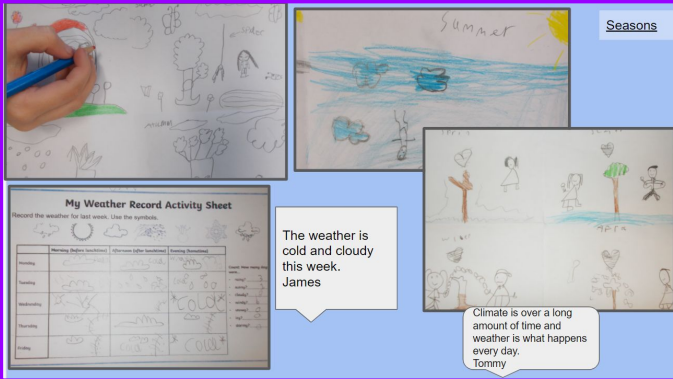

Count: How many days were...

- rising? 1
- sun? 0
- cloud? 0
- wind? 0
- rain? 0
- light? 0
- storm? 0

We have been writing about how to make a vegemite sandwich!

We thought Varjak Paw was a great read!

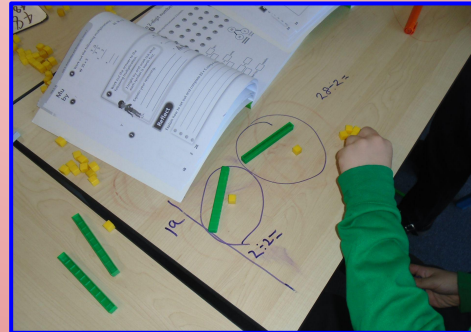

The weather is cold and cloudy this week. James

Climate is over a long amount of time and weather is what happens every day. Tommy

Star of the Week - Year 3

Our Star of the Week in Wilson Class
This week is Liam M for working so hard with
his phonics. Congratulations!

The Star of the Week in
Bright Class this week is
Finley for working really hard
in Maths dividing 2 digit
numbers using Dienes!

Star of the Week - Year 4

Star of the week in Hardy class is Dylan H. We have been really impressed with how he takes part in lessons. He answers so many questions which always show a great level of thinking; he is super focussed on his learning and he really tries to apply everything to his work. Very impressive.

Star of the week in Mackenzie class is Jessica. She is always doing the right thing. She goes out of her way to help others and her continual smile always brightens the day of those around her.

Star of the Week - Year 5

Rauf's star of the week goes to Bella. Bella is kind, caring, hard-working and demonstrates all of our school values perfectly! Bella has worked so hard all term and can always be seen doing the right thing! We have also been so proud of how well she took to swimming this term - Super work Bella - and so courageous! Keep making us proud!

Maz Evan's Star of the Week is Freddie. He has showed a great improvement in his attitude to learning. Well Done Freddie, keep it up!

Star of the Week - Year 6

The Star of the Week in Killick Class is Samden. He is always kind and polite to others, and works exceptionally hard in all lessons. Well done Samden!

The Star of the Week this week in Zephaniah Class is Michael. Michael has worked incredibly hard this week during practice SATs and has made amazing progress since last term! Keep up the focus and hard work Michael! Well done!
