

Newsletter

Friday 6th May 2022

Dear Parents and Carers,

Over the last term, we have reviewed our newsletter and have made some changes to how often you will receive a newsletter from school. We have decided to send a fortnightly newsletter, which will include, school updates, safety tips and important dates that are coming up during the term. Also, once a term you will receive a newsletter that shows you the learning that has been taking place over the term in your child's class. We are also going to be making better use of our website and your child's year group page will be updated regularly to showcase the learning that has been happening during the week. As always we will review this over the next two terms and make any changes that we think are necessary.

Beaver Green has had a busy start to term with lots of interesting learning activities taking place. Some children have been involved in gymnastic workshops which they have particularly enjoyed. Forest school is also running again this term, now that the site has had a rest for a few weeks, I know the children really enjoy the time they spend in forest school.

We will shortly be sending out a list of dates for key events happening over term 6, so please keep an eye out for this.

Thank you for your continued support.

Ms Oakley

School updates

Collection at home time

Please can I remind you that collection time at the end of the day is 15.10.

If you are going to be late please ensure that you let the school office know - even if you are going only be 10 minutes late.

Car Park

Please can I remind you that you should not be driving into the carpark between the times of 07.45-09.15 and 14.45 and 15.30.

This is to keep the children safe when they arrive and leave the school at the start and the end of the day.

Bikes and Scooters

It is lovely to see so many children riding their bikes and scooters to school. Please can you ensure that your child does not ride their bike or scooter on the school grounds. This keeps everyone safe.

Contact details

Please ensure that we have your most up to date phone number and email address. This ensures that you will receive all the information that is sent out to you.

Warm weather

As the weather begins to warm up, please can you ensure that your child has a sun hat in school. Please can you also apply sunscreen before they come to school in the morning.

School updates

Year 6

Next week, week beginning 9th May, Year 6 will be sitting their SATS. We wish them well with this and know that they will be brilliant.

All children have been invited into school next week from 8am for a free breakfast. We hope to see them all there from this time.

Good Luck!

Safety Tips

Sun Safety Code

Spending too much time in the sun can be harmful. We should all follow a special code which reminds us how to enjoy the sun whilst staying safe.

There are five parts to remember...

Spend time in the shade between 11am and 3pm.

Make sure you never burn.

Aim to cover up with a hat, t-shirt and sunglasses.

Remember children need to take extra care.

Then use sunscreen of a minimum of SPF 30.

Be
SMART!

The Sun

The sun gives off different types of energy.

Do you know what types of energy the sun gives off?

Invisible infrared radiation which makes us feel warm.

Visible light which we can see.

Ultraviolet radiation which we can't see or feel on our skin but can damage our skin if we get too much of it.

Make Sure You Never Burn

It's easy to get sunburnt, even when you're not expecting to.

It's very important to avoid burning your skin.

Because you can't feel UV rays, it's easy to forget that they are there.

Remember

You can still burn on a cloudy day.

Breakfast Club

We are looking for donations of toys for Breakfast Club and hoping you can help.

If you've had a clear out and aren't sure what to do with old toys hopefully we can take them off your hands.

We are looking for good clean condition:

- Dinosaurs
- Cars
- Barbies
- Dolls House Furniture
- Animals

If you think you have any of those you could offer us they would be greatly received.

Donations can be given to class teachers or the office and just let them know it is for Breakfast Club.

Thank You

Please can we remind you that when dropping off your child(ren) to Breakfast Club you are using the crossing and walkway round to the hall and not walking through the car park. We have staff arriving at that time and want you and your children to be as safe as possible.
