

RE Curriculum - Beaver Green Primary School

At Beaver Green we teach the curriculum by following the Kent Agreed Syllabus where children learn about religions and worldviews through an enquiry based approach. We have decided to approach our RE Curriculum through the use of 6 focused days each year in addition to exploring key religious festivals throughout the school year. We have chosen to do this because;

- It enables the children to develop critical thinking and evaluation skills
- It allows us to immerse the children in the learning of any religion
- We can spend more quality time exploring and comparing religions to help secure children's knowledge
- We can encourage good discussion and debate about significant key questions
- It allows our pupils to understand the views of others as well as being able to express their own

Religions

	Autumn	Spring	Summer
EYFS	Children will encounter Christianity and other faiths, as part of their growing sense of self, their own community and their place within it.
