

Newsletter

Friday 20th November

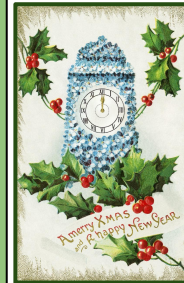

On Friday 27th November we will invite children to come into school in their own clothes. In return for this please can children bring in donations of non perishable food - such as tins of food or cereal. This will then be donated to the local community.

Christmas Jumper day - We are very excited to announce that Christmas Jumper day will be on Wednesday 16th December (the last day of term).

Thank you to everyone who is observing social distancing whilst collecting and dropping off children. Science tells us that wearing a mask can help prevent the spread of coronavirus, thank you to all of you that are observing this guidance.

Messages from
Mrs Hopkins, Executive Headteacher &
Mrs Oakley, Head of School

So, it is that time of year when we are thinking about writing christmas cards. To ensure we are minimising the spread of coronavirus, we are going to ask that you don't send your cards into school before Friday 11th December. We will then send all the cards home on the last day of term - Wednesday 16th December.

Announcements

TERM UPDATE!

There will be two inset days at the end of this term, so the last day for children we be **Wednesday 16th December**

INSET day Thursday 17th December

INSET day Friday 18th December

Medical Tracker - if you have received a letter but not an email notification then please email bgpoffice@swale.at with the child's name email address and the medical tracker will then be reported to you.

Family Food Parcels

Beaver Green will continue to receive regular food parcels thanks to our partnership with FareShare. This is to support as many of our families as possible who may be finding finances difficult in the current circumstances. Please contact the Welfare Team 01233 621989 Option 2 or email bgpwelfare@swale.at for a food parcel.

It's been anti-bullying week across the school. The children have been discussing what it means to be unique and accepted. This is year 3 with their anti-bullying poster.

	Term Ends	Friday 27th May 2022
Term 6	Term Starts	Monday 6th June 2022
	Term Ends	Friday 22nd July 2022

What we have been doing in 1SJ

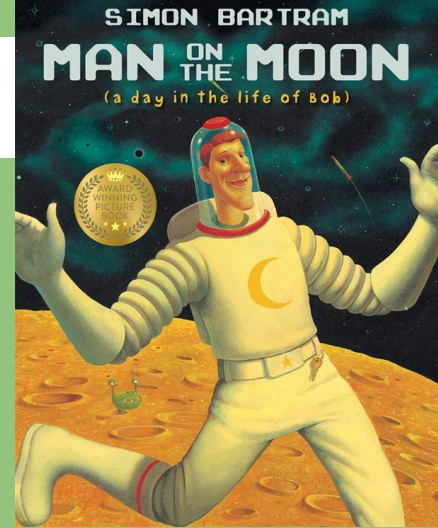

Neil Armstrong
was the first man
to land on the
moon.

We have been learning about
planet Earth

We have been
finding out
about different
planets and
writing facts
about them.

We have been reading
about Bob who works on
the moon.

What we have been doing in 1JS

We have been exploring the phases of the Moon and we have been learning about how craters are formed and even had a go at making our own!

We have been learning about the history of space travel and about the Space Race! We have built and created our own rockets and have had lots of fun recreating the stories in the role play and small world areas.

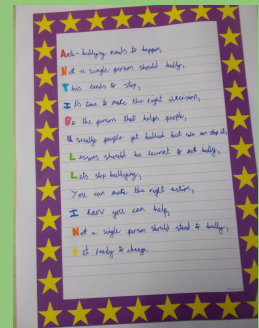

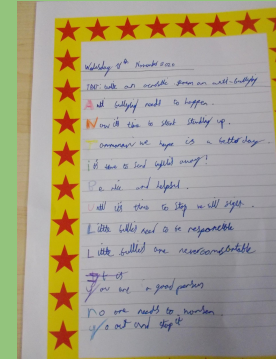

What we have been doing in 5MM

Our Science topic this term is Evolution and Inheritance. We have looked at how certain characteristics are inherited from our parents, how variation occurs and this week we looked at adaptation. We carried out an investigation using pliers, based on Darwin's findings of finches in the Galapagos Islands. Each pair of pliers represented a different beak shape and we had to move around to different islands to try and see which pliers worked best at retrieving food. Great fun was had by all!

5MM have also been taking part in Anti Bullying tasks. We have written acrostic poems, designed some socks and had lots of discussions about bullying, why it is wrong and what we can do to stop it.

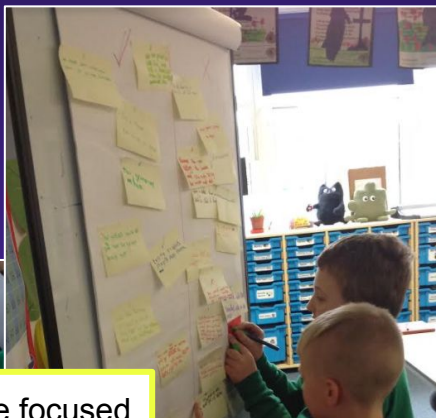

What we have been doing in 5AT

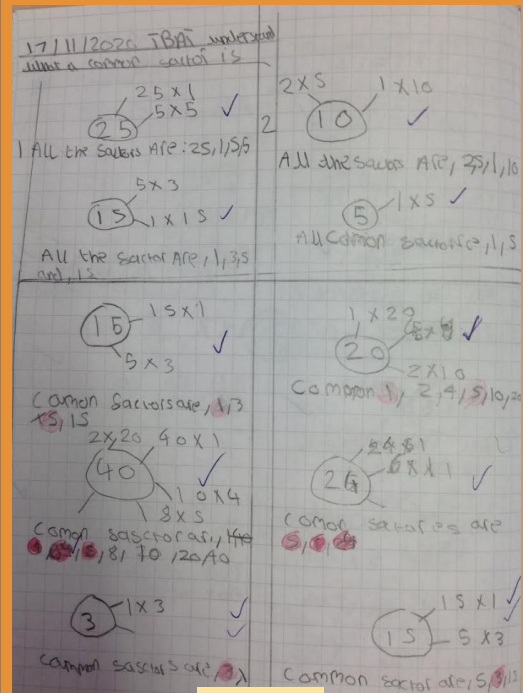

**UNITED
AGAINST
BULLYING**

#ANTIBULLYINGWEEK

This week we focused on **Anti-Bullying Week**. In our PSHE lesson we created board games based around this.

We have been doing a great job in **Maths** this week, learning about factors and prime numbers!

Muhammed

Learning Heroes

Nursery

Elijah was a super friend this week. He helped them to put on their coat and then helped them to use their zip to fasten it up. Super job Elijah!

Lenny was super proud of his picture this week. He enjoyed using the different colours and tried to write his name as well. Super mark making Lenny!

Year R

The learning hero in RJR is Jathun. Jathun was very proud of himself after he made a triangle using three pencils. Well done Jathun.

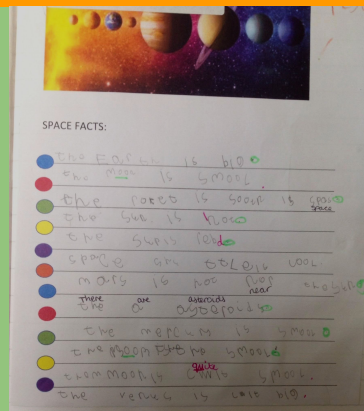

The learning hero this week in RHW is Darcie. Darcie has shown determination and how to take risks by climbing and balancing on the climbing equipment safely. Well done.

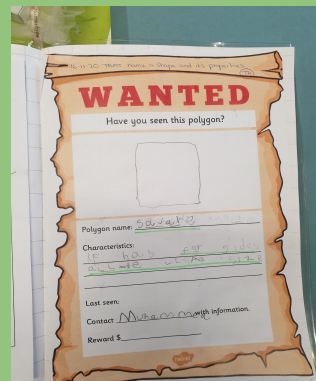

Learning Heroes

Year 1

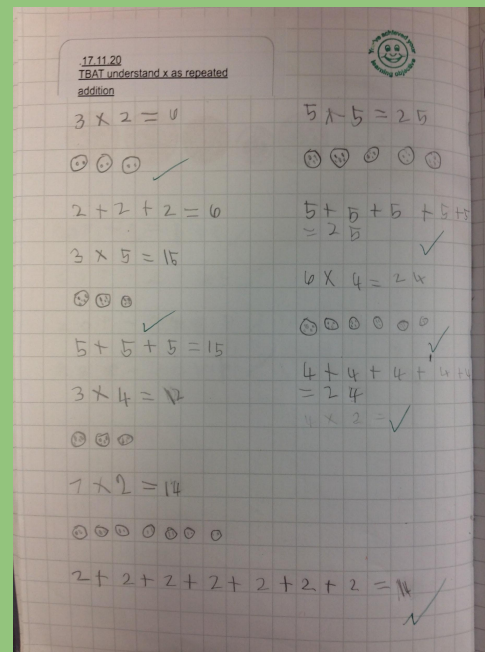

The learning hero in 1JS this week is Lily. Lily has really enjoyed learning about space and especially the planets! Lily has worked hard and has written some fantastic facts about the planets. Super work Lily!

The learning hero in 1SJ this week is Muhammed. He has really enjoyed learning about 2d and 3d shapes. He has produced a great Wanted Poster giving information about 2d shapes. Well done Muhammed!

Year 2

This weeks Learning Hero in 2OE is Kaytie for being a maths superstar! Kaytie has completed some fantastic work based on multiplication. Well done Kaytie!

Learning Heroes

Year 3

Maisie in 3SK has been working really hard in our discussions. Beautiful listening and great language skills.

The learning hero in 3BC this week is Maria. She designed and created an amazing Celtic shield. Well done Maria. You should be very proud of yourself!

Year 4

Esmail is our learning hero in 4KB. She has been working hard for her own learning but also demonstrating how working collaboratively with her peers can enhance learning as well!

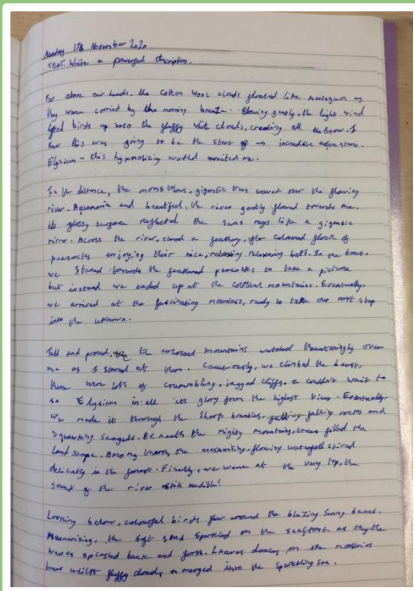

Learning Heroes

Year 5

This week's learning hero in 5AT is **Scarlett**. Scarlett not only always makes the right choices, but she is always so helpful to her classmates. I am so proud of her writing this week-Scarlett wrote a fantastic description!

Well done! :)

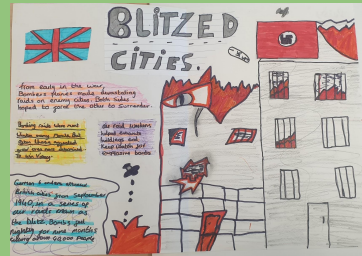

The 5MM learning hero this week is Tilly-Anna. Tilly has worked really hard this week to improve her handwriting and presentation and the results have been astounding. Well done Tilly we are extremely proud of you!

Year 6

Special shout out to Daisy J in 6VH. She has thoroughly enjoyed our WWII topic. She consistently shares thoughtful and considered thoughts in class discussions and has produced some fantastic work related to our topic. Super work Daisy!

A huge well done to Tulsia from 6SH this week for being helpful, hard working and amazing. She has a good attitude to learning and has really tried hard, particularly with reading and maths. Keep up the amazing work Tulsia.
