Friday 26th May 2023

Dear Parents and Carers,

We have had another busy term here at Beaver Green. The children have enjoyed trips to the North School farm, the Rare Breeds Centre and a visit to the Stour River, there are lots of exciting things planned for term 6. I would like to congratulate the Year 6 children for tackling the SATS with great maturity, each and every one of them gave their very best during the week, we hope the children going away to Ferny Crofts on residential at the start of term 6 have an amazing time, we look forward to hearing all about it on their return.

Congratulations to all the children who were invited to the Headteacher's Tea Party. They all had a lovely time and enjoyed all the crisps and chocolate treats.

Don't forget that the summer fair is on **Saturday 8th July** - we look forward to seeing you all there. If you are able to offer any help on this day, or help with the organising before, please let the office or Gemma know.

We hope that you have a relaxing half term and we look forwards to all the children returning on Monday 5th June 2022.

Mrs Oakley

Attendance

Congratulations

We had 185 pupils with a perfect 100% attendance score during Term 5.

School Attendance for Term 5 was 93%

Every effort must be made to ensure that each child reaches 95% and above throughout the school year.

Lateness

During Term 5 we have had **155** children arrive late to school on **510 occasions**. Children are to be at school from between **8:30am**, when the gates open, until **8:40am** when the gates close and the registers are taken.

Weduc/Absence Line

Did you know that you can report your child's absence from school by using the School App. Alternatively, you can call the school absence line on 01233 621989 EXT 1

Star of the Week - Term 5

Nursery

Harper- For settling so well into nursery

Yangchhen- For becoming more independent while at nursery

All of 6AT -_For working really hard in preparation for SATS tests.

Lillie E - For always showing great focus and behaviour.

Lillie M - For working really hard this term and demonstrating great behaviour for learning.

6MM

Kai - For aspiring to succeed at tasks that he found challenging.

Jakee - For aspiring to succeed at tasks that he found challenging.

The Class - For working really hard in preparation for SATS tests.

The Class - For an amazing week at SATs and trying their best at all times. Well done we are extremely proud of you.

Phoebe - For always following the Beaver values and Green rules. Well done!

Term 5 - Nursery

We went on a nursery trip to the Rare Breeds Centre where we got to see lots of animals, ride a tractor and even see the pigs race! Miss Chapman is very proud how well behaved everyone was throughout the day. Well done!

We would like to thank the PTA for the support in helping us fund our new 6 seater buggy! We love it!

We love large scale mark making.

We celebrated the King's Coronation! We made our own crowns and enjoyed a yummy scone with jam and cream.

We finished the term with a visit from "creepy claws" which we saw lots of different animals even a huge tarantula.

1,2,3,4,5...

Red, green, red, green

Term 5 - Nursery

We have had a really busy term learning all about Animals. The children have really enjoyed this and have enjoyed all the many creative experiences, sensory play and of course our trip to the Rare Breeds. The children represented Beaver Green perfectly, we were so proud of them all. A big thank you to parent helpers too. We finished off the term with a visit from creepy claws, the children held a tarantula, and touched a snake.

Term 5 - Bumblebees

This term we have been learning about animals and we loved learning about pets. We were lucky to have Miss Read bring in her 2 guinea pigs to come and see us. We asked lots of questions and enjoyed stroking them.

Term 5 - Ladybirds

We had a treasure hunt to find lots of Coronation items - it was great fun!

We had a fantastic day celebrating the King's Coronation.

We thought the scones, jam and cream were delicious!

Term 5 - 1MT

We have been learning about camouflage!

This term we have been learning all about 'The Carnival of Animals'. We have learnt about different animals all over the world and their habitats! We have written fantastic animal descriptions and information leaflets.

On Friday 5th May we all dressed up for Coronation day at school! We had lots of fun making crowns and flags. We ate scones with cream and jam and even took part in a parade with the Ashford Sea & Royal Marine Cadets! How exciting!

In Science we have been learning about Animals including Humans and had some animals come to visit us. We met a dog, a cockatoo, guinea pigs, giant African snails and stick insects!

Term 5 - 1SJ

This term we have been learning all about 'The Carnival of Animals'. We have learnt about different animals all over the world and their habitats! We have written fantastic animal descriptions and ifact files. We have looked at the rainforest.

We had some animals come into School.

We made some camouflage pictures.

On Friday 5th May we all dressed up for Coronation day at school! We had lots of fun making crowns and flags. We ate scones with cream and jam and even took part in a parade with the Ashford Sea & Royal Marine Cadets! How exciting!

Term 5 - 2NB

In 2NB our topic is in the garden. We have looked at paintings by Vincent Van Gogh to inspire our own 'Sunflower' art.

2NB - North School Farm Visit

Term 5 - 2JK

We had a great opportunity to visit The North School Farm this term! We had a fantastic day out and learnt so much about farm animals. We even had the chance to hold and stroke some animals. Some funny smells too!

Term 5 - 3BC

We have been studying living things and their habitats. We created our own habitats and constructed bug hotels made from objects we could find!

We have been recreating different "Extreme Earth" images using a variety of resources such as water colours, pastels and pencils.

Term 5 - 3AM

We have been enjoying our Term 5 Topic : Extreme Earth!

We created paper mache volcanoes, getting very messy and later on painted them and then watched them "Explode".

In Science we have been studying living things and habitats. We explored the outside to see what habitats and animals we could find!

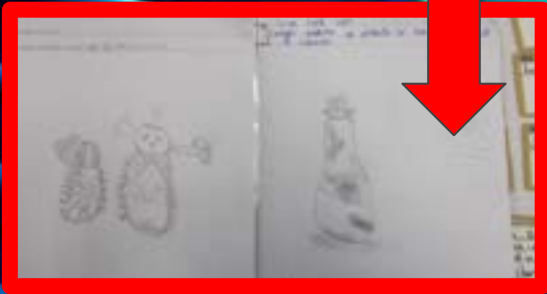

Term 5 - 4PA

One of the fun things has been our 'design your own potion bottle,' then make it out of clay - some budding artists in the class!

Own clothes day to support donations for the Tombola!

Some of the boys and girls have been getting into Rubik's cubes - We are learning how to solve them as a bit of fun! We may even start a club.

Term 5 - 4EB

In Science we have been learning about Living things. We have been classifying objects, plants and animals and creating our own classification trees. Classifying is super important for Scientists! Look at some of the amazing minibeasts we found in our school grounds that we classified.

In Art and DT we enjoyed making our own magic boxes, adding some of the items we included in our poems, using pipe cleaners to make them look as if they were jumping out! We have also been designing and making our own potion bottles too.

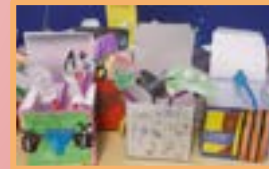

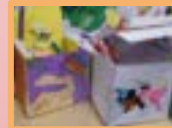

This Term our topic is a 'Magical Mystery Tour.' This includes reading the amazing book: 'The Nowhere Emporium,' by Ross Mackenzie. We are thoroughly enjoying this magical adventure story and can't wait to find out what happens next, it is very exciting!!

We hope you enjoyed watching our amazing class assembly this term. It was wonderful to get to share our learning with you all!!

We enjoyed moving the sand to the sand pit!

In RE we have been learning about Hinduism and what it means to be a Hindu in Britain today.

In English we read Kit Wright's free verse poem, 'The magic box', which inspired us to write our own amazing versions, adding alliteration, opposites and things that do not exist!

Term 5 - 5EC

Azmi

In English we wrote biographies on famous Street Artist.

Olivia

On Wednesday 3rd May we completed the Ashford Street Art Trail. In Art we have created our own Art using modern art for inspiration.

Kavern & Olivia

Tyler & Mason

Maria

Jacob & Tommy

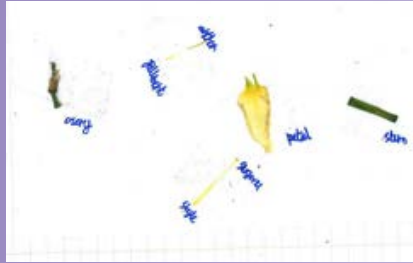

Term 5 - 5BM

In Science we have been learning about reproduction of plants.

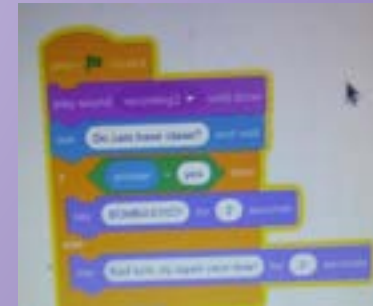

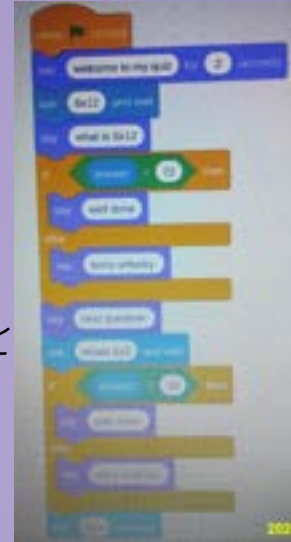

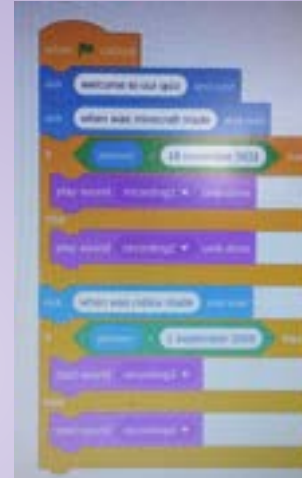

In Computing we have been using selection on Scratch to create a quiz!

We did this by dissecting a daffodil and learning about how the different parts of a flowers help with pollination.

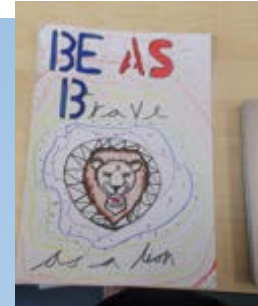

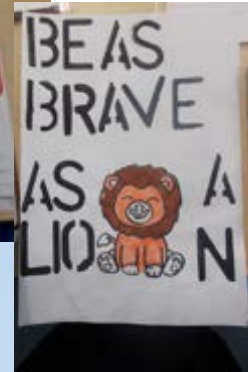

We have also looked at what plants reproduce a-sexually.

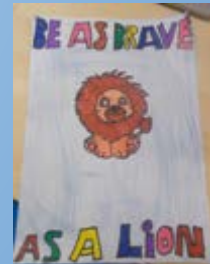

Term 5 - 6AT

This term we were introduced to the play that we will be performing soon! We then created posters to persuade people to attend our Production in Term 6!

After a really tough term with SATs, we thought about all the great qualities we all have! We created these posters to send out positive vibes to one another!

Remember these key dates:
Tuesday 11th July 2023 Afternoon performance
Wednesday 12th July 2023 Afternoon performance
Thursday 13th July 2023 Evening performance

A HUGE well done to all of 6AT for working so hard, showing great determination and resilience during SATs week! You have made us so proud!

Term 5 - 6MM

This term saw us start our project on spirals. We have looked at everyday objects - man-made and in nature- where spirals exist. We have then started to look at ways of creating spirals. We started our project by creating a spiral using concentric circles and dividing them into 6 equal sections of 60° . We also created a Baravelle spiral using squares. We will be moving on and creating Fibonacci spirals.

A huge well done to all of the children in 6MM for the Resilience and Excellence shown in Ssts week. We are very proud of you all.

Our music lessons have been a great success this term and we have been learning several new pieces which we hope to showcase to parents in a performance on the 17th July. Keep the date free.
