20th July 2023

Dear parents/carers,

We are writing to you to make you aware of some changes which will be implemented from September 2023 to our Breakfast Club.

We are very proud of our Breakfast Club and how it has grown into a thriving success. We understand the importance of children receiving a healthy meal to start their day and how this can impact on their learning. However, due to increasing prices and school budgets being reduced, we are now unable to offer breakfast club free of charge to our pupil premium families. This is not a decision we have taken lightly, but unfortunately it is one we have had to make as we are currently running at a weekly loss.

We will still offer breakfast club to our pupil premium families but from September it will be at a reduced rate of £1.50 per day; with drop off from 7:30am. We feel this price is still favourable against other local schools.

We understand that financially times are hard and we are sorry that we have had to make these changes. Please complete the slip below to let us know if you intend to continue to send your child to breakfast club in September.

If you would like to speak with someone about this or challenges you may face regarding food then please do not hesitate to contact a member of the Welfare Team.

Kind regards

Mrs Wood
Assistant Head for EYFS and KS1
