Carol of the Sea Swallows

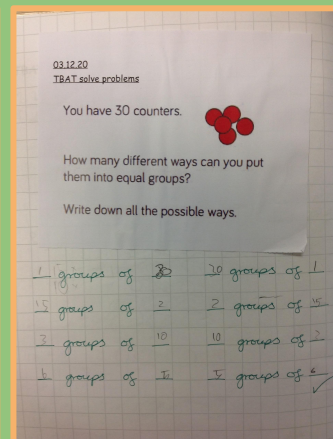

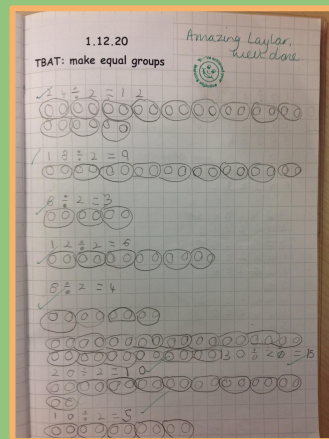

<https://revelationashford.co.uk/carol-of-the-sea-swallows>

Year 1 had a fantastic time participating in Animate Arts' Big Draw Festival 2020 throughout October and November. We produced sea swallows that we stuck together to form a flock. We made curtains by creating snowflakes. We also listened to Carol of the Bells and used candle wax to draw on white paper to show the movements we heard. Then we painted over them using watery blue paint to create the waves in the sea! Finally we designed 2 arctic foxes that were made into cardboard cutouts. We then used different paper types to decorate them. See if you can spot them in the 360 film that has been created!

What we have been doing in Year 2

In Year 2 this term, we have been learning about The Great Fire of London. We have written stories about Sammy the Street Dog and an information page about The Great Fire. We have created pictures of the London skyline during the time of the fire and we have studied the famous figure Samuel Pepys. Without him and his famous diary, we would know a lot less about the Fire!

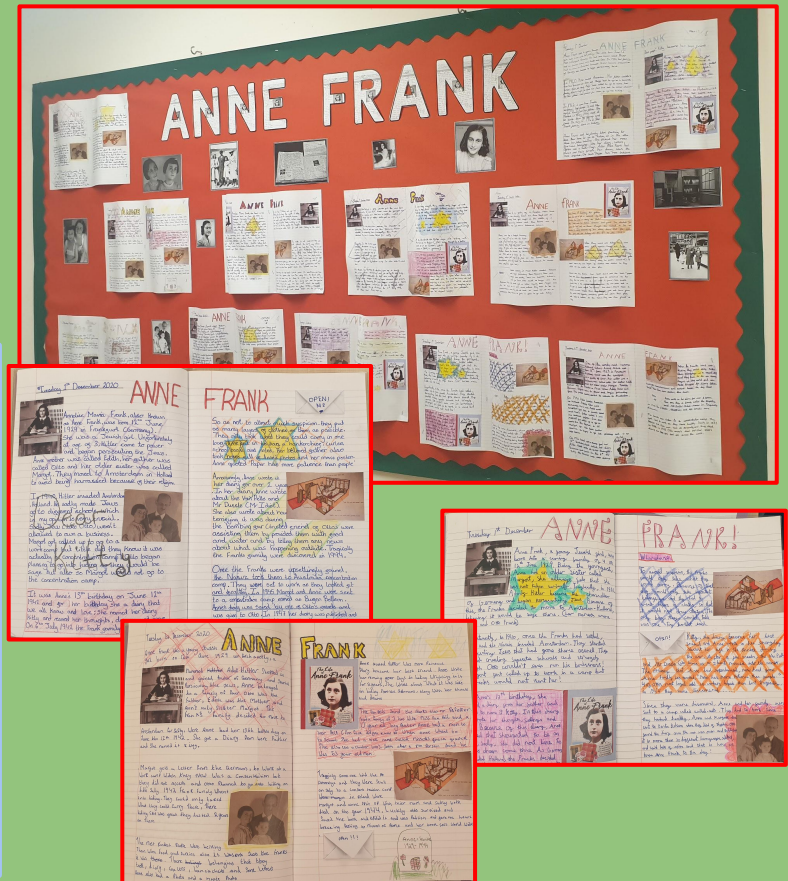

In maths, we have been learning about division and multiplication and we have been learning our 2, 5 and 10 times tables!

What we have been doing in 6VH

In guided reading, we have studied *The Boy in the Striped Pyjamas*. The story is about a boy whose father in the Commandant of the concentration camp, Auschwitz and the friendship he makes with a boy on the other side of the fence. Here is some of our artwork, based on the moment when the boys meet for the first time.

As part of our topic work on World War II, we have learnt about the holocaust and it's most famous teenager - Anne Frank. The children have written biographies about her short, but incredible life.
